"To provide the citizens of Euless a better understanding of the dedication and integrity of the police department"

Hi ECPAAA members,

I wanted to thank all of you who showed up to support the graduates of our 23rd Citizens Police Academy Class, which was held at the Texas Star facilities as well as our Annual Police Awards Banquet, which was held at Campus West. I know it meant a lot to our graduates and recipients to look around and

see what they are a part of.

Arbor Daze is coming up on Saturday and Sunday, April 28 & 29. Even though the event will be scaled down this year, there will be plenty of areas where we can volunteer our time, which will be discussed at the next CPAAA meeting. Several of you made a request for Chief Mike Brown to speak on the changes being implemented in the police department at our last meeting. Chief Brown has agreed to respond to your request and will fill you in on the changes at April's meeting.

April Layton who is an auto theft prevention specialist will speak at May's ECPAAA meeting. April works for the North Central Texas Council of Governments in Arlington. She has an in depth knowledge of information

relative to vehicle thefts and reducing the chances of being a victim. April is an enthusiastic speaker and I promise you will enjoy listening to her.

Be careful and thank you for partnering with us at the police department.

The facts about burglary...

- More than six million residential burglaries occur every year in this country. That's one every ten seconds!

Nearly half of these burglaries are committed without force – that is through UNLOCKED doors and windows!

Most of these burglaries could be prevented.

- Always lock your doors and windows even when leaving for "just a minute".

Never leave a house key available under a doormat, in a flower pot, on the ledge of the door. *These are the first places a burglar will look.*

If you'd like to make life even harder for crooks – remember the following tips:

- Exterior doors should have "dead bolt" locks with a 12 inch strong metal bar extending into the frame.
- Sliding doors and windows should all have "ventilation" locks as well as auxiliary locks to bolster security.
- Be sure to include good locks for garage, cellar, patio or other doors that lead out through storage areas or a spare room.

For more information on locks, contact your local law enforcement agency or write for the Attorney General's Home Security Handbook.

Going Out?

- Lock all doors and windows. Use timers so that lights, radio, and/or a TV go on and off throughout the house to indicate that someone is home.
- For longer trips, be sure to stop mail and newspaper delivery, or

have a neighbor collect them daily.

In short, make your house look LIVED IN.

Remember, if you come home and see a broken window or a jimmied door, don't go in. Confronting a burglar can be dangerous. Phone the police immediately.

Other Tips

- Install a wide-angle lens viewer in the front door. Never open the door without knowing who is there.
- Consider alarm systems or trained security dogs for additional protection.

Whenever you move to a new home, have the locks changed.

Operation ID

Another deterrent to "would be" burglars is Operation Identification.

- Mark your valuables with your driver's license number preceded by the letters "CA".
- Post Operation ID stickers on doors and windows to warn housebreakers to stay away.
- Burglars don't want marked merchandise because it is difficult to fence and is evidence of guilt if they are caught.
- Mark your items as conspicuously as possible without defacing them. Photograph those items that cannot be engraved (jewelry, silverware, antiques). Operation ID also facilitates the return of stolen property when it is recovered.

Getting to Know Our Euless Police Officers

Officer Cale Smith

Cale Smith has been with the Euless PD for three years. Last year Officer Smith was nominated for Officer of the year and Rookie of the Year.

Cale was born and raised in Kirkland, Washington. He has two younger brothers and a sister.

He resides in Saginaw. He has been married for four years to Andrea who is a teacher/coach. They have a dog - Abby.

His education is Associate Arts - Walla Walla Community College, Brinkman - Froemming Professional Um-

pires School. Prior to working at the Euless PD Cale was a Professional Umpire/Driver where he received numerous awards.

Cale likes to spend time off umpiring at baseball games, working on home and lawn improvements and traveling. Favorite places are San Antonio, Texas and Seattle, Washington.

His favorite thing about his job is the family environment at the city of Euless and being able to help others.

His least favorite is dealing with the same people over and over with the same problem.

Eventually Cale would like to move into different departments and supervisory positions.

His favorite story is being flagged down by a stranded motorist who ended up having a narcotics lab inside of his truck.

Couple of his favorite movies are "Star Wars" and the "Godfather".

Favorite quote "See you at the field".

To quote Cale - "I enjoy working at the PD and look forward to serving the citizens of Euless for many years to come.
