## SPEAKER FOR THE GENERAL MEETING

**AUGUST 21, 2018**

Our speaker for the August 21st General Meeting will be the Gals that went on the African Safari this past Spring. Leah Benoit, Susan Vest, Kristi Wynne and Shawna De Puente bought the safari ticket packages for the African trip and went on an outrageous adventure to Africa. They will be showing pictures and telling about their adventures. Don't miss out on this exciting presentation of the wilds of Africa.

## Texas Citizens Police Academy Alumni Association Convention

Pete and Sandi Jones attended the Texas Citizens Police Academy Alumni Association Convention held August 1-4, in Allen, Texas. It was at the Courtyard by Marriott. The sponsor was the Garland Citizens Police Alumni Association and there was lots of interesting speakers. We had talks on the importance of SWAT, turning pain into positivity, making the most of our meetings, blood splatter and gangs and Hip Hop music to name a few. Actually we had 4 discussions each day, each one more interesting than the next. The food was good, the speakers excellent, and the information well received. The final talk was on PTSD from Samantha (Sam) Horwitz, a Secret Service Agent, who was there on 9/11. At the end of the conference we really felt we had learned a whole lot. We plan to attend next year. It will be held in San Marcos, so stay tuned and attend if you can.

**Our Mission: To provide the citizens of Euleless a better understanding of the dedication and integrity of the police department.**

## From the Desk of Chief Mike Brown

We made it through another July in Texas, a lot of heat and not much rain. I hope your summer is going well and everyone has had a chance or will get a chance to get away for a little while.

Thanks to those of you who have been able to come and help us keep up with all of our Vacation House Watches and those who have been able to come by and share a few minutes of your time with us this summer. We look forward to seeing more of you as we go through the summer. Our property crime rate has actually gone down from this time last year. I hope that means that we've removed the criminal element that's been responsible for our crime these past few years. I believe that it really means that we are doing a much better job as a community of watching out for each other.

For those of you who are involved in your neighborhoods with your Neighborhood Watch Program, or you just do your best to educate your neighbors about the things necessary to present a neighborhood that is tough on crime, I applaud your efforts and ask that you include us in your outreach. We have crime prevention information, strategies and materials that can go a long way in helping you keep your home and your neighborhood safe.

Be aware that there have been a few incidents of a flea-borne disease called typhus in the area. This bacterial infection is spread by fleas, who contract it from rodents and other wildlife. The fleas can then spread it to humans. Flea-borne typhus is easily treated with certain antibiotics. People experiencing symptoms should consult with a health care provider to be tested and treated for the disease. As usual, we continue to monitor for West Nile mosquitos. I do not believe that we have had any human cases of West Nile this summer. Please take every precaution you can when venturing out in the early mornings and evenings. That virus can be deadly and we depend on each of you so much we can't afford to lose you.

School will be starting in the next few weeks which means school zones, increased pedestrian traffic and congestion around our schools for the first few weeks of school; until everyone learns the traffic flow. Please take your time as you drive in the neighborhoods, around our schools and through the school zones. The very last thing that we want to happen is to have a child injured as they are going to and from school. We may need a little help from some of you as we get into the school year with manning a School Crossing or two for a brief period of time. If you'd be interested in helping us in this area please let Tony know.

I would like to thank all of you who participated in, viewed, liked, or shared the Euless Police Department's Lip Sync Challenge video. If you haven't had a chance to see it yet, drop by the PD and someone here (Gary Landers) will be more than happy to show it to you. We took a little different path on our entry, we wanted to make it a community video where we put the people who live here on display. We could have easily done a cheesy lip sync video but we wanted to share the spotlight with the entire community. We have such a unique community and we wanted for the world to get a little glimpse of life here in Euless. I think we met our goal, and I could not be more proud of the video and the participation we got throughout the community. A huge thanks to David Grant, he donated his time, talents and equipment to make this video. I would also like to thank Officer Isiah Moala who had the vision and the dance steps to make it all come together.

Thanks for all you do!! We couldn't do all the great things we do in the community without you!!

Your Servant.

Mike

## Eules Police Department Liaison Sergeant Rocky Fimbres

Hello ECPAAA Family,

Summer is almost over and I am sure looking forward to cooler weather. I hope everyone had a great summer and spent a lot of time with family and friends. HEB school district starts August 20<sup>th</sup> and I have spoken to several parents who are ready for the kids to go back!

I want to personally thank everyone who came out and assisted with the Eules Police Department *Lip Sync Challenge*. I know the weather was extremely hot but everyone appeared to have a great time. I am always amazed how much support the ECPAAA members and the entire community give our police department. I hope everyone got to meet one of our newest officers Isiah Moala and what a positive impact he is to our police department. Moala and Lt. Brenda Alvarado organized the entire event with assistance with video producer David Grant. The team had a lot of fun contacting businesses, Eules citizens, and other City of Eules employees to be a part of the video. Overall, this experience really makes other cities realize the awesome relationships the Eules Police Department and the citizens of Eules have with each other.

On August 11, 2018, from 9:00 am-4:00 pm, 6 Stones will be have their annual Operation Back 2 School event where the community and volunteers provide school supplies to children. Our very own Dana Nuber is helping coordinate this event by contacting volunteers, police, and fire agencies to assist with the event. I have been to this great event in the past and saw young children with smiles on their faces when they were given school supplies. It is worth the hard work.

Thank you for your dedication. I truly believe Eules has the best COP program. Your service and commitment to building a strong, safe, and thriving community is greatly appreciated. Your countless hours of hard work are an endless gift to our department.

Respectfully,  
Rocky

**REMEMBER, THERE WILL BE NO MEAL AT OUR AUGUST 21ST MEETING.  
PLEASE FEEL FREE TO BRING SOME GOODIES IF YOU WISH!**

### Jewelry Fundraiser

Retired Police Officer Pam Byers has created various jewelry items for ECPAAA to sell (police, fire and dispatcher themes). Pam is extremely talented and loves making personalized jewelry. Anniece McKanna will bring items to every meetings. Exact change is appreciated. Proceeds help our Eules PD.

## From the President — Julie Watkins

I hope everybody is staying cool and enjoying their long summer days!

I have intermittently been without air conditioning this Summer and I am secretly escaping in my mind to the cool breezes off the lakes of Minnesota. I hope to get Up North to see the Fall leaves but in the meantime, it's back to school time around here.

With school starting and the activities of Fall around the corner, it is time to really start working on our big fundraiser – THE BAR-B-QUE!!

The committee has been seeking donations and gift cards. We are meeting again tonight and we will see how the ticket sales are coming. Don't wait until the last minute to purchase your tickets because we base our meal planning on the number of tickets sold. There is a contest this year for the most tickets sold by an Alumni member, so please think about getting that ticket for yourself, family and friends.

We brought a vote before the general membership at the last meeting regarding the issue of providing meals at the meetings. I personally voted to continue them but the majority voted "no". I think it is a very good opportunity for the members to socialize and spend some time talking before the meeting. In the years I've been involved, I have definitely seen that the meetings are more well-attended and seem more interactive. For many years, Judy and Richard Rick provided wonderful meals for our meetings. For the last two years, Nan and Eric have done a fantastic job sharing their love of cooking and have provided meals for the meeting. For health reasons, Eric will be unable to cook for several months, but they would like to resume it when he is up to the task again. Please keep Eric in your thoughts and prayers as he undergoes chemo. Sooo, if you are inclined to bring in a plate of cookies or snacks, I'll just bet they will be welcomed.

We are attempting to clean up the membership list. I have attempted to make personal contact with all remaining members that have not paid their dues. In some cases because of their jobs or health, they are not as active as in the past, but still wish to remain a member and support the Eules Police Department. Many have moved or just are not interested in continuing their membership. Within the next couple of weeks, we will be deleting anyone who has asked to be removed or we have not been able to make contact with after several attempts and the dues are not paid. This will remove you from the newsletter distribution list and the gate code will be disabled. If I have contacted you and you are still planning on paying your dues, please do so within the next week. The address to send dues to is ECPAAA, 1102 W. Eules Blvd., Eules, TX 76040. I appreciate your membership so much!! We are over 100 members now. Let's see everyone at the BBQ!!

Thanks for being a part of the ECPAAA and we hope to see you at the next meeting. We have a great program planned this month. The speakers will be the gals that just took their African Safari and have wonderful pictures! A trip of a life-time. Remember we will have more safari trips to be auctioned off at the BBQ!! Have I mentioned that the BBQ is a little over a month away???

Happy August, Julie 😊

## ECPAAA Executive Board Meeting Minutes — July 17, 2018

Meeting called to order 6:15 p.m.

Attendees: JR Goad, Dana Nuber, Thomas Salmi, Julie Watkins and Susanna Whitten filling in for Jerry Balkon

Susanna is moving to the Big Bend Valley in Terlingua, Texas on July 26<sup>th</sup>. She will continue to do the newsletter remotely, but needs it distributed once it is completed. She has printed several pages of address labels for the people who get the newsletter mailed, with instructions on who gets the copies and how many. She will put them with the envelopes in the office. The person who distributes the newsletter can print the newsletter off in color in the office and everything will be there for the mailings and to make copies. Leah is in Tennessee and Jerri is in Hawaii. J.R. will say the pledge and prayer. Our speaker is Brenda Alvarado. Dana and Gene will give us an update on the preparations for the BBQ. Julie will give a plea for a CPAANT Liaison and Susanna will give details of what happens at the meetings. Leah is leaving at the end of the year and we will need a replacement. Julie will ask Don for an update on COP. Eric Brunstad has recently had surgery and will be undergoing chemo starting in August. He is not going to be able to do the meals. Please keep him and Nan in your prayers. Meals for the General Meeting are no longer going to be funded. Julie will put it up for a vote, at the General Meeting, to see if everyone wants to continue having meals during meetings. The Board voted to continue the meals 4/1. We will see what the general membership wants. Betty Overstreet will be giving up the Dispatcher Appreciation volunteer work. She is looking for someone to train to coordinate this volunteer work in the future. It is coming up in September. Safe Room budget was \$2500 and we got it done for @ \$700. We will get more information about it in the General Meeting. Collecting membership dues are an ongoing effort. Julie will continue to call people that are past due. We need volunteers to get the bricks laid when the weather cools off!! We are having trouble contacting Acme Brick.

Meeting closed at 7:00 pm with a motion from Dana and seconded by Thomas

## ECPAAA General Meeting Minutes — July 17, 2018

Attendees: Lou Baum, Brenda & Rusty Brown, Eric Brunstad, Shelly Capil, Diana & Roy Deering, Thompson Due, Bill Dufinetz, Mia Estella, J.R. Goad, Jawaria Haseeb, Pete & Sandi Jones, Mark Lee, Molly Maddux, Don Martin, Anniece McKanna, Nan Moulton, Dana Nuber, Betty Overstreet, Betty Priddy, Jim Rogerson, Thomas Salmi, Gene & Pam Shawl, Barney Snitz, William & Lee Anne Speir, Peggy Vandiver, Susan Vest, Julie Watkins, Susanna Whitten, Nancy Zehelski

Meeting Called to Order at 7:05 p.m.

JR said the pledge and prayer. Our speaker was Brenda Alvarado. She is a Lieutenant at the Euless Police Department and oversees the Community Service Division and Code Enforcement. She has been with the Euless Police Department for 20 years and is a proud member of the Euless Honor Guard. Saturday, July 21<sup>st</sup> is the Lip Sync challenge at Pennington Field from 7 – 9 pm. There will be lots of community involvement, including the Trinity High School Trojans, food, drinks and it's free. Lieutenant Alvarado put out several designs of the Euless Police Department decals for everyone to take and share. She wanted ECPAAA to think about possible fundraising opportunities with items that have the Euless Police Department decal on them. Molly Maddux mentioned that we could sell these items at the BBQ and other up-coming events. CCPD is Crime Control Prevention District. The budget for this is supported by ¼ cent sales tax. CCPD is on the ballot to be voted on in 2020. This is a very vital part of the Euless Police Department. It provides equipment, technology, staffing, 19 police officer salaries, training, uniforms, the Community Relations Program, one-time programs, rifle replacement, the Crime Victim liaison to name just a few. It means 2.7 million a year for the Euless Police Department. A board approves the fund distribution once it is voted on. We need to start now to get the word out and get as many people on board as possible to support the CCPD. It was suggested that it get published in the Euless Today. Lieutenant Alvarado's phone number is 817-685-1540. Please call her with any questions or ideas you may have. Officer David Powell with the Criminal Investigation Division spoke next. He has been with the Euless Police Department for 21 years and also serves on the Euless Honor Guard with Lieutenant Alvarado. Officer Powell works in family violence and juvenile crimes in the Criminal Investigation Division. He was there to talk to us about our new Safe Room. Officer Powell said organizations donate items all the time to help juvenile victims, but they didn't really have a place to put items and make it work efficiently. They had 4 very basic interview rooms, table and chairs only. He wanted to convert one interview room into a Safe Room, with a more relaxed and cozy atmosphere and utilize the items donated. Officer Powell submitted his proposal and it was approved. He asked ECPAAA for help with furnishing it and our group went to work immediately. All items were bought in Euless, Home Zone, Kirkland's and Ross to name a few places. The wish list budget was \$2500 and we were able to get it all done for @ \$700. Officer Powell was overwhelmingly thankful to ECPAAA for making his dream come true. The room was put to use right away with 2 families in the 1<sup>st</sup> week. It is available to the entire Euless Police Department to use as needed. They currently have plenty of snacks. Pam Shawl suggested that if more items are needed to just call Julie and our members will be happy to provide anything they need.

At 7:55 pm we resumed our ECPAAA General Meeting. Last month's minutes were approved by a motion from Peggy Vandiver and seconded by Sandi Jones. No questions were brought up about the Treasurer's report. Susanna is moving July 26<sup>th</sup> and Julie recognized her for all the hard work she has done at the ECPAAA for the last 2 ½ years. She was given flowers, gifts and a cake to celebrate her last meeting. Susanna will continue to be a member and periodically attend meetings when she comes into town to see kids and grandkids. Susanna will do the newsletter remotely until a person is found to take over. We need a volunteer to do the simple job of printing, copying and distributing the newsletter when it is completed. Dana said we need gift cards for the BBQ. E-mail Pam Shawl, [shawl.pam@gmail.com](mailto:shawl.pam@gmail.com), if you've approached a business so we do not hit that same business up twice. We need flyers posted, tickets sold and the word out about the BBQ. Diana Deering made up a wonderful chart on ticket sales and explained and displayed it at the meeting. Don't forget we have a contest and prizes for the person selling the most tickets. Leah is leaving at the end of the year and we need a new CPAANT representative. Julie and Susanna gave a short description of what's involved with this volunteer position. The CPAANT meetings are really fun and only once a month, the 1<sup>st</sup> Saturday. Contact Julie if you are interested in being the CPAANT Representative or attending future meetings to see what it's all about. The Dispatcher Appreciation event is coming up in September. Betty Overstreet is stepping aside and looking to train a new coordinator. It is once a year and the ECPAAA allocates \$400 in the budget. Betty described some of the great things they have done for our 911 dispatchers in the past. This is a very rewarding volunteer position. If you are interested, please contact Julie. The Euless Police Department is going through a ton of water. We have the Deering's for Wednesday water duty and Faye Stinneford and Betty Priddy for the Friday duty. If they are on vacation or cannot pick up and deliver, they will let us know. We would like one more person to be available in those cases. Please contact Julie if you can help. Pete and Sandi Jones are going to the Texas Citizens Police Academy Alumni Law Enforcement Annual Training in Allen, Texas. Sandi encouraged members to go. Car pooling would be a great way to save gas \$\$ since it is so close and a hotel room is not necessary this year. Codes are in for the new members. Julie and Dana gave them out and got everyone trained on how to use the keypad. Julie is still trying to collect dues on people that are overdue. Please contact Julie or Dana Nuber ([dnuber@uta.edu](mailto:dnuber@uta.edu)) if you need to get your dues paid. We are looking for someone to head up a few people to meet at the Euless Police Department and arrange to get the bricks laid. It would work best once the weather cools off and all the bricks are in. **Cont. on pg. 7**

Several have been in the office for over a year. JR wanted to give everyone some dates to think about and plan to volunteer in the future: October 6<sup>th</sup> – Eules Police Department Open House, October 11<sup>th</sup> – Trinity High School Homecoming, November 3<sup>rd</sup> – CRUD, December 1<sup>st</sup> – Eules parade of Lights. The meals for the General Meeting will not be able to be done by Eric and Nan because of Eric’s recent surgery and upcoming chemo. Please keep them in your prayers daily. The meals were put to a vote and the membership decided to discontinue the meals for the ECPAAA General Meetings for now. If you would like to bring refreshments to the meeting, you are more than welcome. Next month the gals that went on the Africa trip will be doing a presentation, so be sure to attend Tuesday, August 21<sup>st</sup>. To contact Julie Watkins please call her at 817-267-6588 or e-mails her at [showboat@flash.net](mailto:showboat@flash.net). She will be happy to point you in the right direction or answer any question.

Meeting was adjourned at 8:39 pm with a motion from Betty Priddy and seconded by Molly Maddux.
