

From the Chief:

We are excited, and are looking forward to the New Year. There are several challenges we will be facing in the coming months and we can't wait to meet them!

As most of you know, there will be a major realignment of responsibilities this month and we will have Command Staff in new positions throughout the organization.

Lt. Steve Eskew will be the Division Commander over Patrol.

Lt. Steve Kockos will be the Division Commander over Communications and Research.

Lt. Danny Neill will be the Division Commander over the Jail and Property Room.

Lt. John Williams will be the Division Commander over Criminal Investigation.

Lt. Wayne Pavlik will be the Division Commander over Internal Affairs and Personnel.

Lt. Joe Kraft will be the Division Commander over Emergency Management.

There will be a realignment of responsibilities involving a few of our Sergeants.

Sgt. David Chaney will be the Administrative Sergeant in Patrol.

Sgt. Eric Starnes will be the Community Services Sergeant.

In addition to these moves we have recently announced the promotion of ten Senior Corporals. Please congratulate these servants the next time you see them.

Sr. Corporal Kim Althouse

Sr. Corporal Brenda Buske

Sr. Corporal Mark Harris

Sr. Corporal Todd Bellah

Sr. Corporal Brett Morgan

Sr. Corporal Joe Hoerth

Sr. Corporal Brandon Zachary

Sr. Corporal Todd Murphree

Sr. Corporal Scott Peterson

Sr. Corporal Tony Burnett

Sr. Corporals Althouse, Buske, Harris, Bellah, Zachary and Muphree will be assigned to Patrol.

Sr. Corporal Peterson will be assigned to Traffic

Sr. Corporal Hoerth will be assigned to Community Services

Sr. Corporals Morgan and Burnett will be assigned to Criminal Investigation.

In addition to all of these moves, we have Corporal James Gordon, Bo Berry and Senior Officer Edgar Hurtado transferring into Criminal Investigations.

As you can see, we are going to have a lot of people moving around, assuming new responsibilities and facing the challenges that are ahead. I ask that you lend a helping hand when you can. Most of these people will be in positions that are completely new and very unfamiliar to them. Words of encouragement are always welcome, and I know that these men and women respond well to positive re-enforcement.

We are making these changes on the fly so to speak. We do not have the luxury of shutting down for a week or two to work the bugs out. I think this is the most drastic change in the history of the Euless Police Department, but they will set us up to meet the challenges we will face well into the future. The only reason we are able to take such bold steps is due to the quality of the people within this organization and the support and backing we receive from this community. I can assure you that we would not be going down this path, as quickly, if we did not have the support we do within this community. I have preached for many years that a community gets the police department it deserves. This community deserves only the best. As we take our first steps in the coming months, I ask that you come and take those steps with us. Together, there is nothing we cannot accomplish.

Thanks for all you do.

Your Servant

Mike

Hi ECPAAA Members,

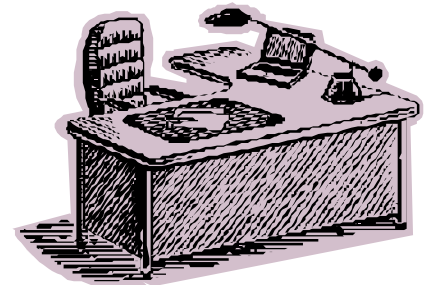

It's the holiday season again and Christmas will be here shortly. For most of us that means a lot of time spent on the roads visiting family and friends and shopping for gifts. I remind you periodically in our monthly meetings to be aware of your sur-

roundings when you are out and about. Do not leave your vehicles full of gifts or valuables. Put them in the trunk before you get to your next destination. Allow sufficient time to get to where you are going as the highways are usually congested with higher amounts of traffic, during the holidays.

helping make our community better than it was yesterday.

Sergeant David Chaney

I wanted to let you know it has been my honor to serve you, the past year and a half. I have really enjoyed getting to know each of you. I am proud of all of you for the progress you have made in the Alumni Association, the Community Emergency Response Team and the Citizens on Patrol. You are the backbone of these programs and you are responsible for the success of all of them. I could not name all the different representatives from Police Departments in and around this area that have called to inquire about all the community involved programs that the City of Euless offers it's citizens. We need to continue to serve each other and dedicate ourselves to

Officer Todd Murphree

Officer Murphree was born and raised in Mesquite, Texas. He has a younger brother who is a Hurst Police Officer. He has been with the Euless PD for 9 years.

Officer Murphree has a B.A. in Criminal Justice with a minor in Spanish. Prior to coming to the Euless PD he was a Texas Certified Nurseryman working for Calloway's nursery. Since working in Euless he has held positions as Bicycle Officer, Hostage negotiator, FTO, Narcotics Investigator, CID. Todd was "Rookie of the year - 2001", "Officer of the year - 2005".

Officer Murphree and wife Amy reside in

Arlington. Amy is a teacher at a private school. They have four children - Cameron (7), Macie (5), and Cole (3), Collin (6 months). Cameron is a cub scout - we love camping, fishing, etc... Macie is in gymnastics and loves playing dress up. Cole is the ultimate sword fighter and we love to wrestle. Collin - I just love making him laugh. The family pet is Lexi - a Chihuahua. The best time off is spent with his children. He is also actively involved in his church.

Favorite travel spots - Yankee stadium, Yankee stadium, and Yankee stadium. Oh, and we like the Rocky mountains too.

Favorite things about his job - the people I work with, the rewarding nature of the job, and that look on the criminal's face when he realizes I just caught him.

Least favorite thing - paperwork.

His aspiration with his career with the Euless PD is to look back at the end and be proud of the integrity he maintained.

Favorite story - "While in narcotics I used an informant arrested on a drug paraphernalia charge to get into a motel room and house that resulted in the seizure of over 120 lbs of marijuana and \$282,000.00 in cash".

Favorite saying "Shake and Bake!"

Favorite book or song - anything as long as it's written or sung by his Kids.

Officer Murphree believes in the work ethic. In his words "I think the harder you work, the less likely you will be distracted and the benefits will show themselves".

FAREWELL

Dear Friends,

It is time to bid you adieu as your president. I have been privileged to serve you in a small way, and I truly appreciated your patience. As the year ends, we are engaged in our final fund raiser for 2007 - gift wrapping at Bass Pro. Yes, it is work, but it is also fun. You get to meet very nice people and see some very interesting presents.

Earlier we sponsored our first auction, and I have no doubt that there will be another and another and another. The best part of the auction was working so closely with our friends in the Police Department. Again, it was a lot of work, but it was also a lot of fun.

I could go on, but I shall not. Each of you has enriched our organization, and I hope you will be a part of ECPAAA in the years to come. You are remarkable, and I hope the relationships we have formed continue well into the future.

May you have a Very Merry Christmas and Happy New Year!

Love,

Rose-Marie

Strengthening Euleless CERT***Recognizing Heart Attack and Stroke***

by Denise Feeley

Chances are most ECPAAA families have been directly affected by heart attack or stroke. My whole life changed in March 2007 when my father suffered a stroke. As CERT members, we can help pass on the following information provided by the *American Heart Association*. To learn more about prevention visit www.americanheart.org

STROKE WARNING SIGNS

Stroke is a medical emergency. Know these warning signs of stroke and teach them to others. Every second counts:

Sudden numbness or weakness of the face, arm or leg, especially on one side of the body

Sudden confusion, trouble speaking or understanding

Sudden trouble seeing in one or both eyes

Sudden trouble walking, dizziness, loss of balance or coordination

Sudden, severe headache with no known cause

Call 9-1-1 immediately if you experience symptoms! Time lost is brain lost!

HEART ATTACK WARNING SIGNS

Most heart attacks start slowly, with mild pain or discomfort. Often people affected aren't sure what's wrong and wait too long before getting help. Here are signs that can mean a heart attack is happening:

Chest discomfort. Most heart attacks involve discomfort in the center of the chest that lasts more than a few minutes, or that goes away and comes back. It can feel like uncomfortable pressure, squeezing, fullness or pain.

Discomfort in other areas of the upper body. Symptoms can include pain or discomfort in one or both arms, the back, neck, jaw or stomach.

Shortness of breath with or without chest discomfort.

Other signs may include breaking out in a cold sweat, nausea or lightheadedness

As with men, women's most common heart attack symptom is chest pain or discomfort. But women are somewhat more likely than men to experience some of the other common symptoms, particularly shortness of breath, nausea/vomiting, and back or jaw pain.

Learn the signs, but remember this: Even if you're not sure it's a heart attack, have it checked out. Minutes matter! Fast action can save lives — maybe your own. Don't wait more than five minutes to call 9-1-1.

Merry Christmas, Happy Hanukkah, Celebrate Kwanzaa, Feliz Navidad, Happy New Year

FLASH ! FLASH! We have new Grocery care cards from Albertson's.
