**CONGRATULATIONS!**

Jerry (JR) Goad was inducted into the Hurst-Eules-Bedford ISD Hall of Fame last month. JR was one of six winners for 2012 and received the Distinguished Volunteer award.

JR has been a volunteer reader at Wilshire Elementary School for over 20 years and is a member of the HEB ISD Education Foundation Board of Directors.

Congratulations on this special award and thank you for everything that you do for the Eules Citizens Police Academy Alumni Association.

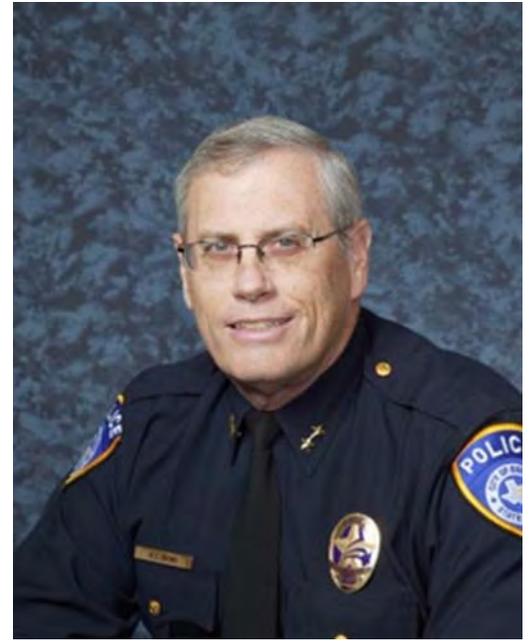

**We are proud of you!**

## From the Desk of Chief Mike Brown

I hope you all had a fantastic Thanksgiving! There was food, fun and family at my house. I am truly blessed with family, friends and a great life.

The Holiday Season is a time for thinking about your blessings and putting others before yourself. Last year at this time we were still reeling from the unexpected death of Officer Richard Wong. When I think about the things that mean the most to me, I remember the show of love and support that was displayed by the CPAAA to Richard's family and the way we all came together to celebrate his life and mourn his passing. It's been a year, but it still seems like yesterday to me. Personally, I made it through my first Trinity High School Football season without him. I was honored that his brother Robert still came to the games and shared the season with us. Officer Scott Axton was called on to fill Officer Wong's position at Trinity and has done an amazing job at bringing healing and support to that campus. Officer Axton is making his own mark on Trinity and is having a tremendous impact on the lives of the students there. I cannot be more proud of Scott and all the great things he is doing at Trinity.

There is another anniversary that happens at this same time each year. On November 28, 1982 Officer Michael Ray Williamson #96 was killed, while on duty, by a drunk driver. This year marked the 30<sup>th</sup> anniversary of his tragic death. For those of you who attended the brief recognition service at the Police and Fire Memorial on Wednesday the 28<sup>th</sup>, you witnessed the fact that time cannot heal all wounds and that Officer Williamson's sacrifice is still remembered and appreciated to this day. Though it was a brief ceremony it was attended by all six (6) of his children, his widow, his mother and father and brothers and sisters. There was a large contingent of police and fire personnel along with city officials and various members of the public. Eules Fire Fighter Chris Williamson, Mike's youngest son, wrote a poem and read it at this ceremony. In reality, the ceremony should have ended with his words. He wrote about the man he never knew. Chris was only 6 months old when his father gave his life in service to this community. I will leave you with his words.

**THERE WAS A MAN SOME NEVER KNEW  
A HERO DRESSED IN A UNIFORM OF BLUE  
WHO MADE A SUPREME SACRIFICE  
ONE, IN WHICH, WOULD CHANGE MY LIFE  
HE WAS GIVEN TO US BY GOD'S GOOD GRACE  
BUT SADLY LEFT BEFORE I KNEW HIS FACE  
AN UNFORTUNATE, UNTIMELY CIRCUMSTANCE  
NOW WITH MY SISTERS HE'LL NEVER DANCE  
OR TEACH MY BROTHERS AND ENJOY THE FUN  
OF SHOWING THEM TO SHOOT A GUN  
OR HEAR MY DAUGHTERS TELL HIM THANKS  
AFTER ASKING HIM TO FEED THEIR PIGGY BANKS  
AND NEVER COME HOME TO HIS WIFE  
WHO WAS NO DOUBT, THE LOVE OF HIS LIFE  
OR GET THE CHANCE TO CONGRATULATE  
HIS GRANDCHILDREN AS THEY GRADUATE**

*Continued on page 3*

*Continued from Page 2*

**THIS SACRIFICE HE KNOWINGLY TOOK  
TO UPHOLD THE LAW BY THE BOOK  
SO HERE WE GATHER TO SHOW OUR LOVE  
AS HE SMILES DOWN FROM UP ABOVE  
HERE WE STAND TO CELEBRATE AND REMEMBER  
A FELLOW COLLEAGE, FRIEND, AND FAMILY MEMBER  
THOUGH THIS DAY MAY SEEM SAD  
WE SMILE AND SAY, WE LOVE YOU DAD  
I KNOW THAT IT, WAS NOT GOODBYE  
IT WAS NOT THE END, I'LL SEE YOU AGAIN  
AND ON THAT FATEFUL DAY, WHEN I FINALLY SEE YOU  
I'LL MEET THE MAN I NEVER KNEW.**

Thanks again for all you do for us! Merry Christmas to you and your family.

Your Servant,

## ALUMNI CORNER

### Spotlight on Stacey Foust

by Rosemarie Stevens

Stacey has lived in Euless for only one year and has chosen to become involved with our wonderful city by becoming a member of the Euless Citizens Police Academy Alumni Association. Marvelous! She is employed by the City of Euless as a full-time school crossing guard for Midway Park Elementary School and started working there in August 2012. This is another form of service to our community.

She was born in Irving, Texas, as was her mother before her. Her father was born in Kentucky, but her parents, whom she described as wonderful, now live in Rockwall, Texas. Stacey was an only child and has no children of her own; however, she does have a Rottweiler dog that has become her devoted child. She wrote that the dog she adopted from the Hurst Animal Shelter a few years ago "has been with me through thick and thin, good times and bad." Her beloved companion has also had some police-related training, and "when she sees a police officer or a patrol car, she is always eager to meet whoever is behind the wheel and go for a ride!"

Stacey enjoys taking her dog for walks around the surrounding neighborhoods, and she likes to travel throughout the United States. She also enjoys watching good action movies, eating good food, and planting flowers and vegetables around her house. In fact, her favorite types of movies are action-packed or scary. Her favorite reading material is "Cosmopolitan Magazine."

When asked what she enjoyed most about the CPA class, she indicated that she most enjoyed the role play involving felony traffic stops. It gave her a first-hand idea of just what the officers do in traffic situations.

What she enjoys most about being a part of ECPAAA is the opportunity to meet our police officers and literally getting to go behind the scenes to understand what their job entails. Stacey would like to learn more about K9 officers and their dogs. She would like to see how well trained the dogs are in whatever they are trained to do. "They, too, serve and protect not only their partners" but also help to reduce the drugs on our streets.

Stacy truly appreciated the cute police officer bobble head statue inscribed "top cop" she received at the time of her graduation from the CPA class.

## EPD Liaison — Senior Corporal Tony Burnett

Congratulations to the new board members and I look forward to working with everyone in the New Year. I want to also wish everyone happy holidays from the NPO office. I say it all the time and I will say it again; we could not do our jobs without you. You are definitely a force multiplier. I recently posted on our Facebook page that we had three major accidents in one day. I wish I could say that it was unusual but it's becoming more frequent. If you are traveling this holiday season please be careful. The holidays bring extra traffic and all this construction doesn't help our already congested roadways. Speaking of Facebook, be sure to "friend" the Police Department so you can see our post. Our Facebook page is growing. One of our recent posts received over 750 views in less than 24

hours. There isn't a building in the city I could host that large of a crime watch to get the same message out to that many people. Times are changing and we're trying to use technology to benefit both of us. Class # 29 of the Citizens Police Academy is starting in February so tell your neighbors, friends and relatives to join us. Also, I will have some announcements about CPA curriculum changes at our January meeting. James is looking at his RAD schedule next year so let him know if you're interested in attending one of his classes.

I am very excited about 2013 and the Alumni Association. This is going to be a great year. I predict that the Association is going to grow again this year and we're going to have a good representation for the State Conference being held in Arlington over the summer. There will be more details passed along to you as we receive them. Al Simmenroth thinks that we should all wear white cowboy hats at the conference so people know who we are. Loren Johnson should be wearing a black hat, just saying. We will have time to discuss all these things next year. Either way, this Association has an excellent reputation around the state and you will once again make us proud.

I want to pay out some compliments before closing. Thank you to all of this year's board members for your time and sacrifice to make the Association the best it can be. Your hard work did not go unnoticed. There are so many of you that serve so much and do it regularly. You are simply an amazing group of people.

I want to mention two guys that work hard for you every day, James Gordon and Chris White. These guys impress me all the time. This past year they made a commitment to take ALL of our programs to the next level and to do it without sacrificing anything else we do. They still help out the School Resource Officers, assist Patrol with problem areas and the Training Officers with reoccurring training for the Police Department. On top of that they volunteered to help with new programs like Facebook and robbery prevention training for convenience stores. I am proud to serve with these guys. Come by and ask about Texas A&M football..... I need the break!

## From the President — Loretta Doty

Alumni,

As our year together comes to an end I would like for you all to know how much fun I've had this year and how privileged I feel that you put your trust in me to be part of your leadership team. We had fun together, successful events, new experiences, gained new members, lost loved ones, and formed new friendships. We have great things to look forward to next year. We owe our NPO's, Tony Burnett, Chris White and James Gordon, a huge thank you for their support and guidance.

Doris Hammond sent a thank-you to CPA for helping her collect 2,580 stuffed animals for Autumn, the 12 year old patient in Cook Children's Hospital. Autumn's goal was 3,000 stuffed animals and she far exceeded that goal. The stuffed animals were shared with several hospitals including Cook Children's and Toys for Tots. Autumn is still in the hospital in critical condition.

Don't forget to send Susan Vest your nomination for the alumni member of the year by December 31st. Email Susan at [svest@simon.com](mailto:svest@simon.com) or drop the form in the mail - 607 Aransas Dr., Eules, TX 76039. On our web site under the blue tab "Appreciation" and then "ECPAAA Awards" you may view past award recipients.

I hope you all had the opportunity to share in the joy of the Christmas parade. Unfortunately the mural was not displayed on the COP vehicle, but Unit #883 was festive with lights, Judy's wrapped presents on top and Kyla's stockings. Maurya we thank you for working so hard trying to make our COP vehicle an extra special entry and Kyla we thank you for a last minute decorating plan. I had the privilege of riding in the COP vehicle in the parade and received such a blessing viewing all the smiling faces and being the recipient of energetic waves and warm "Merry Christmas" wishes. We all are fortunate to be volunteers with the City of Eules.

Only 50 of our 91 members chose to vote for the 2013 executive board. I encourage you all to be active participants in our organization. We have many issues that require a vote by the membership. Whether it is a decision on an unexpected expense or deciding on the date for the annual BBQ or the next executive board, your vote is important. You are important and your opinion is valued. Please share in decision making and vote whenever the opportunity arises.

As a thank you to all alumni for the time you have spent this past year volunteering and representing ECPAAA, our association is providing a Mexican dinner for the December meeting. We hope to see you there.

Have a Merry Christmas and a Happy New Year and I'll see you in January for the start of another wonderful, productive and fun year.

Loretta
