## Chief Carmack

Dear Alumni Members,

*I hope everyone had a safe and happy 2002 Holiday season. 2002 was certainly an eventful year for the Euless Police Department and the ECPAAA. We made the long anticipated move to our new building in January of 2002. We couldn't be more pleased with how well the new building serves our needs and the needs of the Citizens of Euless. Our Criminal Investigations Division investigators are no longer cramped in overcrowded offices, our jail is a state of the art facility, and Patrol now has separate areas for briefing, conferences, and training. Our fitness room is spacious and equipped with top of the line equipment including, thanks to your support, two commercial grade tread mills.*

*Mike Lowery and Allen Samuels Dodge, with a little encouragement from Lou Baum, donated the use of a nice vehicle to our Citizens on Patrol program. We modified the operating procedures for the program to encourage more participation. Now that we have two vehicles and more rider-friendly operating procedures we hope to see ride time double!*

*The Alumni Association also helped us put two new officers on board in 2002. Officer Max and Maxine were introduced to our elementary school and received a positive reception. Max and Maxine are interactive Robots that will be used in drug education and safety programs in our elementary schools. Our Neighborhood Patrol Officers and Dare*

## 2003 Officers

*Congratulations to the new ECPAAA Executive Board.*

- President: Lou Baum
- Vice President: Wes Weeks
- 2nd Vice President: Kathy Haecker
- Secretary: Karen Duncan
- Treasurer: Rose-Marie Stevens

*We would also like to say thank you to Leah Benoit, Chris Shanahan, Pat Hinde, Susan Vest, and Sara Munday for a job well done in 2002. We had a very good year and are looking forward to what is to come in 2003.*

## 2003 Dues are due

We have 12 paid members for 2003

# Lou's Views

Happy New Year and Congratulations to Leah, Chris, Pat, Susan, Sara, Rose-Marie, Sharon and Al. You have served this Organization

with dignity and perseverance.

From all of us we thank you from the bottom of our hearts.

This Organization has been very successful these past eight years in many ways. The dedication from many members is second to none. I can remember back when several of us from Class One were discussing how we could make this Organization the best in the country.

Well, in my opinion and many others, we have achieved that goal. The unbelievable group of individuals that share a common goal for this Police Department and its City has been the reason

for its success. 2003 has just started with lots of New Year's resolutions being discussed with reflection of the ones we didn't do last year. What we do with our lives is totally up to us and that's a great privilege, as well as a great responsibility. My New Year's promise to each of you is I will do my best for each one of you.

Our Executive Board wants you to be excited about looking forward to the 3<sup>rd</sup> Tuesday of each month. Our Board will be there for you bringing us together as the "Biggest Family in Euless."

Let it be known to all that this CPA is the most "Caring Folks in this Country."

For those members who have been away for a while for one reason or the other, come back to a great family and visit us. We miss you and invite you to be a part of something very special. This Or-

ganization has the total support from the Chief, his Command Staff, the First Line of Supervisors, and the balance of the Department. You all have earned this respect and support through our commitment and total involvement since 1995.

Last but not least, thank you for giving me the opportunity to serve this great Organization, for the second time, as your President. You all are very special to me and I am very proud to be a small part of your Organization.

Kindest Personal Regards,

Lou

# Sgt Pavlik

I hope everyone had a wonderful "Christmas" and an enjoyable and safe "New Year's Eve". I was fortunate enough to be off during these

special holidays and was able to spend it with my family.

To start off the new year of 2003, I would first like to honor and express a sincere "thank you" to the ECPAAA executive board members for a job well done. Leah Benoit, Sara Munday, Al Simmenroth, Chris Shanahan, Pat Hinde, and Susan Vest should all be commended for their diligent efforts throughout the

year. Along with the executive board, all of the ECPAAA members are to be honored for making the ECPAAA the number one "citizens police association" in the "State of Texas". Your participation and assistance to the police department has been outstanding and for that we "thank you". Each of you are true leaders in the Euless

community and are a significant asset to the police department. With your continual support during the upcoming year, we can again work together to make the City of Euless a better place to live.

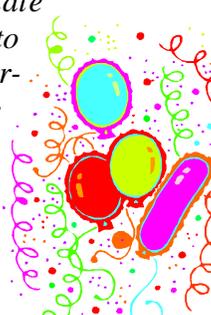

I would like to welcome Lou Baum as the new ECPAAA president and his newly elected executive board. I ask all of you to work with and support Lou

and his new board, so that we can again have an outstanding year.

On behalf of the police department and specifically the patrol division, we would like to thank you for the wonderful "police dinner" provided to the officers working on Christmas. They enjoyed your generosity and thought the food was great.

Again, thanks for a wonderful year of support and contributions and I will see you at the next meeting.

Sgt. W. Pavlik

## Gary McKamie

*Dear Friends:*

*2003 brings to a close the first 50 years of the City of Euless as a municipality and marks the beginning of our next 50 years. We are celebrating our 50th Anniversary by combining our fond memories of the past with our vision for the future. Keeping that theme in mind, over the next 12 months*

*I'd like to share with you a little of both the past and the future.*

*The original City Hall was located on the old Hwy. 183, known today as State Hwy. 10 or Euless Blvd. The Woodsman of the World donated the building and property. The small building was on a portion of the site of what is now Fire Station #3. It housed the City Office, Police, and Volunteer Fire Department. A small jail cell was constructed behind the building. It was about 8 feet square and built of cinderblock. This building was utilized until 1967 when the City Hall Complex was built on Ector. The old City Hall became the first fire station and was utilized until 1990 when it was torn down to make room for the*

*renovation of an adjoining building for the present Fire Station #3.*

*The City Hall of today is located in what we now refer to as Building A, in the City Hall Complex. This building was originally built in 1967 as a recreation center. When the Midway Recreation Center was built, all activities and offices were relocated to the new facility and the old recreation center was remodeled as City Hall. The City Council Chamber remained in Building B.*

*In 2003 we plan to complete a major renovation of Building A. A new 100 seat Council Chamber will be included to provide comfort and convenience to our citizens. A highlight of the project will be a new front entrance facing Ector. The entrance will include a water feature and other attractive details designed to enhance the Ector Drive view of City Hall and to aid citizens in finding our offices and Council Chambers. This project has been designated as the City's 50th Anniversary Project.*

# C.O.P.S.

**Happy New Year!** As we leave behind 2002 and enter 2003, I hope the COPS program will be greeted with renewed enthusiasm. We have a lot of yellow shirts and jackets out there collecting dust. So, if you have one in your closet, take it out and call me to volunteer a time you can go out and patrol. If you have a favorite person, I will certainly schedule you together. If not, I will do my best to find you a partner. The Police Department has invested a lot of time, money and confidence in our program. Let's not let them down! Remember, we will gladly put out two cars at any given time - morning, noon or night.

Speaking of two cars, just a reminder! If you need to use either of the COP cars for a neighborhood event, a meeting, or any other reason, please be certain to let me know so we do not have a scheduling conflict. It's embarrassing to have patrollers show up and not have a car!!

Thanks to all of you who patrol on a regular basis. Your dependability is appreciated. It makes my life so much easier when I can call and count on you monthly. For those of you new to the program, call me anytime to schedule. I would much prefer to be overwhelmed with calls than wear my fingers to the bone dialing! So - if you want to patrol, call (817-283-7038), email (lilipp2@attbi.com), snail mail (305 Lark Lane) or send a carrier pigeon and I will schedule you!!!

## Something to Think About

Take this quiz:

1. Name the five wealthiest people in the world.
2. Name the last five Heisman trophy winners.
3. Name the last five winners of the Miss America contest.
4. Name ten people who have won the Nobel or Pulitzer prize.
5. Name the last half dozen Academy Award winners for best actor and actress.
6. Name the last decade's worth of World Series winners.

How did you do?

The point is, none of us remember the headliners of yesterday. These are no second-rate achievers. They are the best in their fields. But the applause dies. Awards tarnish. Achievements are forgotten. Accolades and certificates are buried with their owners.

Here's another quiz. See how you do on this one:

1. List a few teachers who aided your journey through school.
2. Name three friends who have helped you through a difficult

time.

3. Name five people who have taught you something worthwhile.
4. Think of a few people who have made you feel appreciated and special.
5. Think of five people you enjoy spending time with.
6. Name half a dozen heroes whose stories have inspired you. Easier?

The lesson:

The people who make a difference in your life are not the ones with the most credentials, the most money, or the most awards.

They are the ones that care.

"Don't worry about the world coming to an end today.

It's already tomorrow in Australia."

---- Charles Schultz

officers in charge of Max and Maxine tell us the biggest surprise is that our adult crime prevention programs participants are just as enthusiastic about Max and Maxine as the kids are.

2003 is filled with challenges and opportunities. Another Arbor Daze celebration with the Beach Boys, National Night Out and Summer Camp 2003 will be bigger and better than ever. Our Awards Banquet will be held in March this year and thanks to the sponsorship of the ECPAAA you are all invited. Invitations will be sent via mail.

It's impossible to talk about the ECPAAA and the Euless

Community Policing efforts without thinking about Lt. Mike Brown. I am proud (and sad) to announce that Mike Brown has accepted a director's position with the University of North Texas Health Sciences Fort Worth. Mike has been a cornerstone for community policing efforts and will be missed by all of us. He is a talented, gifted individual that has made Euless a better place for many years. We wish Mike Brown much success and happiness in his new adventure.

The continued support and involvement of the ECPAAA is overwhelming. All of our officers and staff truly appreciate and value your efforts. Please do not hesitate to contact any police staff or me if you need assistance.

Thank you, Leonard Carmack

ALL PAID 2002 MEMBERS

Re: 2002 Membership Dues Receipt

Dear Member:

Thank you for paying your 2002 membership dues! We appreciate you being a part of this organization.

As you may already know, membership dues for a non-profit organization may be tax-deductible. However, this year, when you paid your dues, you received an alumni T-shirt for your payment. According to tax laws, the portion of your dues which covered your T-shirt is not tax deductible.

Membership dues are \$20 (unless you joined mid-year). The cost of the shirts were \$8.37 each (12.37 for size 3XL). Therefore, the amount of your membership dues that is tax deductible for 2002 is \$11.63 (7.63 if you received size 3XL). If you were in class 15, you paid half year membership dues of \$10.00, therefore the amount of your dues that is tax deductible for 2002 is \$1.63 (\$0.00 if you received size 3XL).

Again, we appreciate your contributions to the organization and we hope you will continue to be an active part in obtaining our goals: to bring together graduates of the Euless Citizens Police Academy, to improve relations between the police department and the civilian community in all phases of law enforcement activities, and to further the goals and objectives of the Euless Police Department.

Sincerely,

Sara Munday  
Treasurer  
Euless Citizens Police Academy Alumni Association
