Lake Jackson

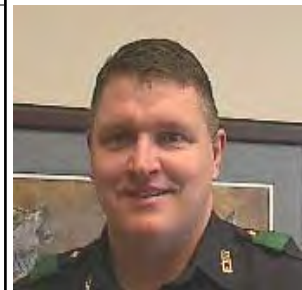

Sorry, the deadline to register for Lake Jackson has passed. If you are going to the Convention, you should attend the July meeting. We will be discussing a few items related to the Convention. We are going to have a really good time at the Convention. If you could not make it this year, you will be happy to know that you can go next year which will be in Fort Worth.

By-laws Revisions

We are currently looking to make changes to the By-laws of the Eulesse Citizens Police Academy Alumni Association. We have worked out all of the changes, and they are published in this issue of the newsletter. We are going to hold the vote to accept, amend, or reject the changes at the August meeting. If you have any questions or comments, please call Sara Munday at (817) 283-2558.

Sgt. Pavlik

I hope everyone is enjoying their summer and taking advantage of our somewhat "comfortable" weather. Usually

during these months, we are fighting the 100-degree temperatures. Hopefully the weather will remain consistent and not become to unbearable. I just returned from a short vacation to Chica-

Leah's Perspective

Hope everyone had a nice 4th of July. Although I was not at the June meeting, I want to thank Tony Burnett for giving a wonderful presentation. Tony – I heard you did a great job! The ECPAAA By-laws will once again be discussed at the July meeting since an agreement could not be reached at the June meeting.

The Alumni Association made \$746 from the Heroes Baseball parking fundraiser. Thanks to Lou Baum, Al Simmenroth and Sara Munday for organizing this “last minute” fundraiser. And a big thank you to all the workers that came out to help.

Rose-Marie Stevens will be talking about the Bass Pro Shops fundraiser coming up in August. The dates are August 10th and 11th. Rose-Marie will be passing around sign up sheets at the July meeting in case you were not able to attend the June meeting.

If you are planning to attend the Lake Jackson symposium, please try to attend the meeting, as we will be discussing the symposium. If you will be

riding with Wayne Pavlik, the plan is to leave at 8:00 a.m. on Wednesday, July 24th from the Police Station.

Here's the breakdown of the Alumni's volunteer hours for the month of June:

Crime Victims Assistance Program – 0 Hours
 CID Clerical – 6 Hours
 Citizens On Patrol – 49 Hours 30 Minutes
 Vehicle Maintenance – 11 Hours 30 Minutes
 Miscellaneous – 16 Hours
 Heroes Baseball Parking – 108 Hours
 Total – 191 Hours

See you at the meeting.

go, Illinois in which the temperatures were 95 plus.. I was actually happy to return to the cool Texas weather, which was a first.

We are in final planning stages of the Lake Jackson “Citizens Police Academy Alumni Association” convention, in which will take place on Wednesday, July 24 thru Saturday, July 27. I am planning on driving the Euless Police Dept van to the convention and you are more than welcome to make the trip. I plan to leave at 0800hrs Wednesday morning and will be returning Saturday afternoon. If you have questions on the application, cost and room reservations, contact myself, Chris Shanahan or Leah Benoit.

The new COP's (Citizens On Patrol) training has been underway for a few weeks now and we are planning on having another class on Saturday, July 20 at 0900hrs, in the police training room. This class will consist of a review of the COP program and an introduction to some of the new dispatching proce-

dures. Immediately following this class, we will have an additional 2 hour block of training providing a “dispatch practical” and question & answering session. This will give you an opportunity to familiarize yourself with using the police radio to communicate with dispatch. We have had great reviews from all of the members that have attended and I look forward to seeing everyone there. If you are interested in attending these classes on the 20th, please call me at 685-1563 to reserve a spot. This

(Continued on page 5)

Sherrod Munday mentioned that he had talked with Chief Carmack regarding the placement of GPS's in the COP cars. The Global Positioning System would help the COP's with their actual location around the city. Sherrod thought it might be a good idea to talk with Bass Pro Shops to see if they can help with one of the units.

A motion was made by Jackie Benner to adjourn the meeting at 9:16 p.m. Second by David Head. Passed.
