The BBQ Committee would like to thank everyone who had even the smallest part in helping with the Fundraiser. A special Thank You to the PD for backing us and doing all the cooking. We are happy to report it was a HUGE success. The food was good, we all had a good time and we cleared \$4189.00. The Committee has met and talked about next year and how we can make small improvements that will benefit everyone.

Hello Valued Members and Customers.

I hope all of you had a wonderful Fourth of July and got to spend it with the ones you wanted to be with. I think this was the first out of several years that counties throughout Texas didn't have a burn ban in effect, so the fireworks shows should have been exciting. Several of the Alumni and I watched the celebration from the roof of the

Hilton in downtown Austin, where we attended the 2007 Texas Citizens Police Alumni Association Conference. This was an exciting conference which was hosted by the Austin Police & Citizen Alumni Association. There were several exciting break out sessions by the Austin Mounted Patrol, Austin Air One, Texas Department of Wildlife and other fantastic topics and speakers. Don Martin walked away with a door prize (gift basket of wine and snacks). Don, just remember your friends. J Next years convention will be held in Wichita Falls.

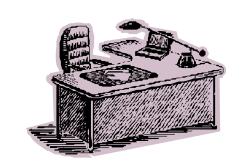

I know several of you have stopped by the PD to give of your time. You have also thought of some great ideas that have been accepted and implemented in our house. Thank you on behalf of your extended family here at the Police Department.

Our speaker this month is Kurt Stallings, who is the Major Crimes Supervising District Attorney – Intake for Tarrant County. Kurt has some informative and interesting information and stories that he will share with us, so make sure you're here early to get a seat.

Stop in for a free cup of coffee and say hello to us.

# Getting to Know Our Euless Police Officers

Cpl. Matthew (Todd) Bellah

Cpl. Bellah has been with the Euless PD for sixteen years. Born in Fort Worth he grew up in Haltom City. Todd has a younger brother in Colorado and a younger sister who lives in Houston. He has two years of college and previously worked as a General Machinist.

His current position is Patrol Corporal, Tact Team -Team Leader, Firearms Instructor, Department Armorer. He has held positions as PSO, CID, Auto Theft Task Force. During his career at Euless PD he has been "Officer of the Year".

Todd has been married to his wife Keran almost as long as he has been with the Euless PD. She is a "Stay Home Mom". They have a son - Daniel age 5. Also part of the family is Jake - a beagle. In his off time Todd enjoys spending time with his son. His favorite hobby is Gun Smithing. Favorite travel spot is "The Range".

One of the best things he likes about his job is the officers he works with.

His goal is to become a Sergeant.

#### Note from the ECPAAA President

#### Rose-Marie Stevens

The past several weeks have been quite busy for us. For starters, the Police Department held an Open House on June 9. Several members of the ECPAAA were able to assist. I know there were a bunch of hot dogs and other refreshments served to several hundred visitors. I don't know all who assisted, but I did see Faye, Denise and Teresia outside with Bob Freeman cooking and serving food. I bet you Ron Williamson was there too, but I didn't see him. Karen and I were forced to cover the ECPAAA table inside where we were able to distribute information about ECPAAA, neighborhood watch and other safety issues. We also had coloring books and other items of interest to children. David Mishkin joined us for awhile, but then he moved on to assist others. It is my understanding that the Open House was a true success.

The following Saturday, June 16, the ECPAAA's fund raiser was held. The idea for the BBQ fund raiser with a silent auction came to us from Mike Brown, Bob Freeman and Gary Landers. At one point, some members of the committee were ready to cancel the whole thing due to a lack of support from the membership. However, Bob Freeman took the time to attend one of our committee meetings to encourage us to move forward and to not let ourselves be distracted. Well he was right! The fund raiser was a success!

I personally don't think we would have succeeded without the assistance and support of our family in the Police Department and the City Government. Gary Landers spent the previous night getting out of bed on a regular basis to check and baste the meat. I don't think I have ever tasted better brisket. Ron Williamson was also one of our cooks, and Bob Freeman orchestrated everything. Our Chief was there offering encouragement. Our precious David Chaney allowed himself to be one of our auction items, and he brought in a large sum of money. The City bought tickets for several staff members who attended and purchased items from the auction tables. Please forgive me if I have overlooked anyone's contribution, but my heart is full of gratitude to all.

We learned from this experience and plan to do it again next

Rose-Marie

#### Strengthening Euless CERT

#### Light Search and Rescue

by Denise Feeley

This month we'll review light search and rescue. Please read Unit Five, pages 5-1 to 5-25. Then take a few minutes to answer True or False to these questions.

- 1. You come to a smoky building and hear a child screaming. Rather than gather the facts, you should immediately take action to save the child. True or False
- 2. CERTs should never enter a building with heavy damage such as collapsed ceilings or moving water. True or False
- 3. During dangerous situations CERTs should play "What If" in their minds to identify additional risks. True or False
- 4. It's okay to enter a building that appears to be safe without wearing your helmet. True or False
- 5. While inside a building you see a "pancake void." You should spend time and energy to search it in case victims are hurt. True or False
- 6. A victim trapped in a "lean-to" void has a very good chance of being alive. True or False
- 7. Triangulation is where three CERTs hold hands to conduct a right-hand search inside a building. True or False
- 8. When entering a structure, make a star on the door so people know you're in there. True or False
- 9. If ten or more people are searching a building, we really don't need to follow a systematic search pattern because we've obviously got it covered. True or False
- 10. When cribbing, follow the mantra "lift an inch, crib an inch." True or False
