Welcome to all of our new members from Class 15. We are happy to have you join the Association and look forward to working with you. We have already had the chance to work with some of you out at Arbor Daze. We could not have been able to do it without your help. Thank you and welcome.

Thank You Again!

Thank you to all of you that worked out at Arbor Daze this year. We had a pretty good time and did a really good job. Without the help of our members and friends we would not have been able to do what we did. I bet you are wondering how much money we did? I know I am! We will have that amount at the next meeting. So once again thank you to all of you who worked out at Arbor Daze. We made **\$11,246.40** this year parking cars. Wow that is a lot of money. Thank you to all of you who helped park cars.

By-laws Revisions In This Issue

We are currently looking to make changes to the By-laws of the Euless Citizens Police Academy Alumni Association. We have worked out all of the changes, and they are published in this issue of the newsletter. We are going to hold the vote to accept, amend, or reject the changes at the May meeting. If you have any questions or comments, please call Sara Munday at (817) 283-2558.

We have sold over \$26,000 in bricks!!

Revised Bylaws In This Issue

We have 72 paid members for 2002

Leah's Perspective

Hi everyone! I guess the folks who did not attend the May meeting are wondering what we made for the Arbor Daze Festival fundraiser. Are you ready for this - \$11,246.40! This is almost double from last year. Again, a big thank you to all 54 workers who gave up their time that weekend. The workers enjoyed a BBQ Dinner on June 12th to celebrate their hard work and received a couple of goodies. Hope to see everyone again next year!

Congratulations to the Citizens Police Academy Class 15! They have successfully completed their class and graduated on May 31st. We hope to see all 17 of them join the Alumni Association and the COPS Program. We already have 6 new members (Jim Adair, David Bolger, Janene Boyle, Mary Kruger, David Mishkin and Dianna Nordsell) at the writing of this article!

The ECPAAA Bylaws was discussed at the May meeting and will once again be discussed and/or voted on at the June meeting. Please read them and if you have any comments, please come to the meeting so you can be heard.

Rose-Marie Stevens will be talking about the Bass Pro Shops fundraiser coming up in August. The dates are August 3rd and 4th and 10th and 11th. Rose-Marie will be passing around sign up sheets at both the June and July meetings.

Wanted to pass along some news. The folks at Interstate Batteries, located on Glade Road in the Target shopping center, has the ECPAAA set up as an account and are entitled to a really good discount on anything in the store. Both the organization and individual members can make purchases and receive this discount. All you have to do is show them your Citizens Police Academy Graduate ID.

The City of Euless is in the process of mailing out brick order forms in the water bills. We have already received some orders from this mailing. Thanks Lou for helping out with this. To date, we have sold \$27,100 in brick orders. As everyone knows, the majority of this money went towards the purchase of the bronze statue and Chief Carmack is putting together a wish list to spend the remainder of the funds.

Here's the breakdown of the Alumni's volunteer hours for the month of May:

- Crime Victims Assistance Program – 6 Hours 20 Minutes
- CID Clerical – 11 Hours
- Citizens On Patrol – 52 Hours
- Vehicle Maintenance – 27 Hours
- Miscellaneous – 21 Hours
- Total – 117 Hours 20 Minutes

See you in July. I will be on vacation for the June meeting and Chris will be running the show.

Sgt. Pavlik

Congratulations to Class 15 of the Citizens Police Academy. Their graduation celebration ceremony was held this past Friday, at the Texas Star Golf Course, in which 17 new members completed the academy. All of the new graduates plan to join the CPA Alumni Association and will be a welcome addition to this wonderful organization.

If you have any friends, neighbors or Euless residents that are interested in the next CPA class, a tentative date is selected for the first Thursday in September. If they would like a CPA application, they may obtain one from the front lobby of the police department or they can go to the ECPAAA website.

We completed the first COP review class on June 6, in which we covered a basic overview of the COP program, procedures on handicap and junk vehicle violations and the new "dispatch" procedures. We had 33 members present for the class and it was a great success. During the next two months we will be moving forward with some of these changes to the

COP program and will be implementing them as soon as possible. The next COPs training class is scheduled for Saturday morning on July 20. If you are interested in attending, please contact me to reserve a spot.

If you have any questions about the COP training, the next CPA class or a problem with your building code, please contact me at 685-1563. Thank you for your contributions and support to the police department. See you at the next meeting.

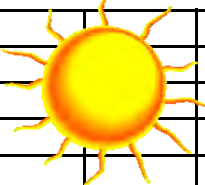

Happy Birthday!!
