# Ann's Thoughts

Greetings and Happy St. Patrick's Day. Thanks to Leah for taking the minutes of the February meeting. Special thanks to Al Simmenroth, Joyce Humphrey, Chris Shanahan, Wes Weeks, Faye and Tim Stinneford for volunteering to assist with Traffic Stops for Class 20 on March 3. The Class members were all talking about all the things Police Officers have to remember and they couldn't believe some of the stunts the "traffic offenders" pulled on them. Thanks to the Police Officers who came in on their day off to give Class 20 a view into their work.

Mark your calendars, for these dates, April 22, 23 and 24 for Arbor Daze. If you have not signed up, then come to the March 15 meeting or call J.R. Goad at 817/267-6054. In addition, on April 16 at 9am come assist in setting up the Arbor Daze site, if you haven't signed up for this activity, let J.R. know if you will be there.

CRUD Day is March 19 at the Eules library and if you volunteered you be there no later than 8am. If you have items to be recycled don't forget to bring them. The COP car will be at the site and let's hope the keys don't get lost.

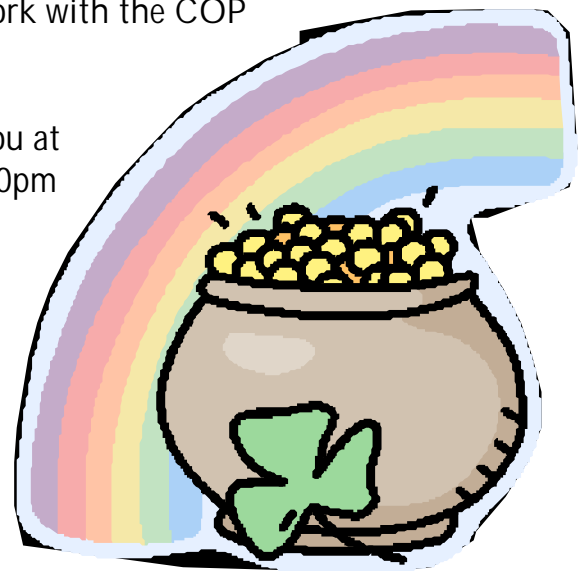

Only three months until the tenth anniversary of the first CPA graduating class. A special event is being planned for these graduates, so mark your calendars for June 21. If you know any of these Class graduates and they aren't members of the Alumni, please send their address, phone number or e-mail address so a special invitation can be extended to them to attend the meeting.

On April 7<sup>th</sup>, I will give a presentation to Class 20 on the CPAAA, so if you can attend and provide additional information to these Class members to encourage them to join us, please do. This Class is filled with very good potential members who could add to our wealth of knowledge, family and friends.

This month's meeting will be very bittersweet, tearful with wishes of happiness, joy and good luck. Cindy Carter, our COP coordinator, is leaving us, for a new home in South Carolina. So if you have something or an interesting story about Cindy, let me know. Thanks for your work with the COP program and for the Alumni activities you were a part of.

So from the desk of the President, have a great month and I'll see you at the meeting. Board Members don't forget the Board meeting at 5:30pm in the first floor conference room.

# Ann

Dear ECPAAA,

This month is bittersweet for me. I am returning to South Carolina. My husband has a wonderful job opportunity in North Charleston, and we are moving back to my old stomping grounds on James Island.

When Mrs. Barbara Lucas first told me about the ECPAAA in 1997, I did not understand then how this organization would impact my life. In 2003 I joined class 17. It was such an awesome environment; I could not wait to get even more involved. I joined the ECPAAA immediately and volunteered as much as possible.

Not everybody realizes that I have a major problem with migraine headaches. At least half of each month is spent fighting the pain in my head. On good days I volunteered. Due to the frequency of my headaches I lost my job at the end of 2003. My self-esteem was low, but the love and support of this organization helped me feel needed and productive.

The COP program also gave me an opportunity to patrol with several of you that I would not have gotten to know otherwise. I cherished these opportunities to not only serve our city, but to know people better. If you want to really get to know the people in this organization, jump in a COP car for 4 hours with one of them. I have done this, and it has only enhanced my life. I encourage all current COP's and future COP's to get out there and not only perform this wonderful service for Euless, but really get to know the other people in this program.

We have laughed together, patrolled together, grieved together, cried together, and volunteered together. I care deeply about the ECPAAA members, the Euless Police Officers, all of the support staff, and the City of Euless. It was worth walking into that classroom 2 years ago. In fact, it was one of the most rewarding adventures in my life.

Thank you to all who have walked with me on this journey. I will miss you. And for those of you in the current class, you are in a great place. This experience does not end at graduation. The Euless Police Department and the ECPAAA are one big family. Your life can only be enhanced by becoming an active participant in this organization.

Tell the Mayor that I gave up my plans to take over her job when we made the decision to move. However, don't be surprised if you start hearing stories from SC and that involve one Cindy Carter!

I will miss you all!

Cindy

Well the 20<sup>th</sup> Citizens Police Academy class has entered the fourth week. I would like to thank all of the Alumni Members that have been assisting with the class. Without you the class would not be possible. On Thursday, March 3<sup>rd</sup> the class performed traffic stops in the Police Department parking lot and everyone had a great time. Next week we will be performing building searches at Trinity High School.

Arbor Daze is right around the corner and everyone is needed to work the Alumni's Parking lot. Please clear your calendars and make plans to be available to assist with this endeavor. Let's all pray that mother nature gives us a great weekend.

On behalf of the Municipal Court Thank You to those that have made this a project for the association. The court employees cannot say enough good things about you. They want you to continue to help when you can. If you are interested in helping with this endeavor please let me know.

For those of you who do not know, Kevin Carter (Cindy's husband) has received a transfer to South Carolina. Cindy and her family will be leaving Texas on March 29<sup>th</sup>. Let me say Thank You to Cindy for all the work you have done for the association and the COP program. I will be looking for a new liaison for the COP program. If you are interested or know of someone who would be good at this please let me know. Please join me in wishing Cindy and her family joy and happiness in their new journey.

Gary

### COP NEWS

COP hours are very much appreciated by the Euless Officers. This was especially true on March 3<sup>rd</sup>, when Ann Zimmerman, Adis Umpierre, and I were asked to assist in the transport of two children to the PD. After transporting the children, we provided a couple hours of babysitting until family members arrived to pick up the children. A special thanks to Kathy Haecker for the diapers and toys she brought for us! Several of the officers told us how much they appreciated what we were doing that night. Thanks to Sgt. Starnes for the snacks he brought.

How did we get chosen for this task? We were at the PD getting ready to patrol, and they put us to work. Not all patrols are this eventful; in fact most of them are not. However, if we increase our hours of patrol (we have two cars available 24 hours a day) the chances of our being of use to the officers increases.

In order to be counted on, we need to be available on a regular basis. Being available does not mean that any individual needs to patrol every week. Although that is an option we all have. But it does mean we need to schedule every COP to patrol at least one time per month.

I look forward to reading about the wonderful work the COP's are doing when I read future newsletters from South Carolina.

Keep on Patrolling!  
Cindy
