There is a lot of behind-the-scenes work that goes into the preparation of the awards ceremony. A huge THANK YOU goes to Lou Baum for organizing this event.

**Our Mission: To provide the citizens of Euleless a better understanding of the dedication and integrity of the police department.**

## From the Desk of Chief Mike Brown

Spring has sprung as they say! The weather is great, as it usually is this time of year, but unpredictable. The lesson to learn from this is to always be prepared. I know that we here at the Police Department pay very close attention to the weather and have our Emergency Management Coordinator monitoring the weather whenever there's a potential for extreme weather events. With the retirements of Lt. Joe Kraft and Sr. Corp. Joe Hoerth we needed to find a new Emergency Management Coordinator. We didn't have to look very far. Suzanne Hendrickson, who for years has been the Recreation Manager for the Parks and Community Services, has joined us here and is fitting into her new role at the police department quite nicely. We are very fortunate to get Suzanne to come to the Emergency Management Office. She has hit the ground running and has already become a vital member of the department. If you get a chance, stop in and see her and welcome her to the department. She is AWESOME!!!!!!

We said goodbye to Lieutenant Troy Remington last month. Troy spent over 30 years with the Eules Police Department and has left a tremendous legacy. Troy was our firearms instructor, and was a motivating factor in keeping the department trained and equipped with the latest officer safety practices, techniques and equipment. Every member of this department owes a real debt of gratitude to Troy and his 30 year mission to keep Eules Police Officers as safe as they possibly could be. He was a great taskmaster. He left nothing to chance and was a true part of the foundation of this department. He will be greatly missed and his passion for training will live on in the officers he mentored and led.

Our Honor Guard, along with Officers Mike Sarro, Ed Petrowski, and Mo Karim, accompanied David Hofer's wife, Marta, his mother, father, and sister to Austin for the Texas Peace Officer's Memorial Services. David's mother and father were called on to light the memorial candle at the candle light service. This service was held at the Texas Peace Officer's Memorial located on the capitol grounds. If you ever get a chance to visit this very moving tribute to the Texas Peace Officers, who have been killed in the line of duty, please take the time to look for the names of the two Eules Police Officers who are inscribed on that wall; Michael Ray Williamson, November 28, 1982 and David S. Hofer, March 1, 2016. This lasting tribute to the fallen Peace Officers of Texas will remind you of the sacrifices that have been made on all of our behalf's by these brave men and women.

That same group will be headed to Washington D.C. in a few days for the dedication services at the National Peace Officer's Memorial. As a department, we felt that our presence was needed at this event. Michael Williamson's name is already on that wall and David Hofer's name is being added this year for his heroic actions in the park on March 1, 2016. Officers Mike Sarro and Ed Petrowski were recognized as Officers of the Month in August by the National Peace Officer's Memorial Association. There will be several days of events honoring the fallen officers from across the country. I expect this to be a very emotional and inspiring week, where the survivors of our fallen brothers and sisters will be able to come together and share their experiences. I know that Mike and Ed will be recognized at a luncheon that will be held in honor of those officers who were recognized for their bravery and sacrifice.

If you have time this month, stop in and see us. There are some new faces in the house. There are a few people who have changed assignments and are in new offices learning new ways to serve the citizens of Eules. This is an exciting time for us as we look forward to the summer, our youth camps and our new community outreach programs. Come be a part of the great things we are doing!!

Thanks again for all you do for us!!

Your Servant  
Mike

## EPD Liaison — Senior Corporal Rocky Fimbres

Hello ECPAAA family,

The month of April was an extremely busy month for the Community Services Division and all the volunteer help was greatly appreciated. Arbor Daze event went very well and the rains and thunderstorms managed to stay away. I want to give a special thanks to our newest Emergency Management Coordinator, Suzanne Hendrickson, who was providing continuous updates with the weather conditions. It appeared that all the citizens of Euless were having a great time and enjoying the vendor foods. I also want to thank the ladies of ECPAAA who came and endured the hot sun with us at our community trailer to hand out special event fliers.

The Euless Police Department has been teaching the HEB Law Enforcement Program students about felony traffic stops and other aspects of police work. The program is offered to Trinity and L.D. Bell high school students who are interested in a possible law enforcement career. I have spoken numerous times with the program coordinator and he has been extremely impressed with the quality of officers that are selected to teach the program. All the interactions have been positive and the students and instructors are really engaged in the topics.

The Citizen's Police Academy class #33 is about to graduate and Senior Officer Chris White is the academy coordinator. The academy is a 12-week program, where Euless citizens are taught the different aspects of law enforcement and instructors from every police division teach each course. The academy class attended the DFW Airport outdoor gun range and got to train with different types of firearms. Our Euless firearms instructors provided training and safety tips to the students in the class. We always have a great turnout and everyone makes new and lasting friendships.

Once again, I want to give a special thanks to all the volunteers that attended Arbor Daze and I am sure I was not the only one that came home with a sunburn. Thank you all for coming out and supporting the City of Euless family events. Keep up the GREAT WORK!

Lastly, I want to give big CONGRATULATIONS to our re-elected City Council members, Mayor Linda Martin, Jeremy Tompkins, and Linda Eilenfeldt. I know the City of Euless will continue to be a better place with their ongoing support.

Respectfully,

Rocky

WE GIVE THANKS TO ALL OUR MOTHERS, GRANDMOTHERS, GREAT-GRANDMOTHERS, AUNTS, SISTERS, GUARDIANS AND FRIENDS WHO HAVE CARED AND NURTURED US LIKE ONLY A MOTHER WOULD. MAY WE REMEMBER THEM AND MAY GOD BLESS THEM.

## From the President — Julie Watkins

This has already been a very busy and emotional month in just the first few days. I was not able to attend the Fallen Officers Ceremony in Austin, but saw all the videos on Facebook. Wow, Eules was so well represented and it was a very touching ceremony. I can only imagine what it was like to be there in person honoring David Hofer and his family. Thanks to all that took pictures and videos. The Honor Guard and members of the Hofer family will be traveling to Washington, DC this month for the National Ceremony. We wish them all safe travels and we are looking forward to the pictures and videos from that trip also.

The week of May 15<sup>th</sup> is Police Appreciation Week and we are planning the “goodie bags” for all the sworn Officers. They always love the extra special surprise that find in their lockers that week from the ECPAAA. The Committee will be assembling the bags but I encourage each one of you to find a special way to show your appreciation to our wonderful men and women in blue. Baking, a note, an extra hug – these are all appreciated.

The Presidential Awards ceremony was held at City Hall on April 24<sup>th</sup>. To qualify for the President Service awards you must serve a minimum of 100 hours for Bronze, 250 for Silver and 500 for Gold. These hours are also combine with the volunteer hours served to the Eules Fire Department. To qualify for the “Call to Service Lifetime Award”, you must serve at least 4,000 hours over your lifetime. We have nine in our Organization that have received this award. They are Eric Bessemer, J.R. Goad, Don Martin, Al Simmenroth, Leon Hogg, Mary Lib Saleh, Faye Stinneford, Vicki Baum and Lou Baum. This award is usually awarded to individuals but this year our Organization also received the Gold Call to Service Lifetime Award for serving over 5,000 hours for 15 continuous years!! I was so honored to receive my first bronze pin. I guess I learned my lesson about writing down my hours! I have never really cared to keep track but, I realized, that evening, just how very important it is to record those hours. This is a tremendous honor and very prestigious. It is amazing the hours our Alumni serve. Congratulations to all who achieved their goals . It gives us all something to strive for.

Thanks to all who have been collecting plates and gift cards for the Dine and Dash. Keep ‘em coming!! I attended the final class of the current Eules Citizens Police Academy class # 33 and invited them to join our Organization. Great group of people and I think most are interested in joining. If you see new faces, welcome them and make them feel at home in our “family”. Hope to see you at the meeting on May 16<sup>th</sup>. This month we will just have a general meeting and next month will have a speaker from the District Attorney’s office. Thanks for all you do! Julie

### EULESS CITIZENS POLICE ACADEMY ALUMNI ASSOCIATION Executive Board Meeting Minutes – April 18, 2017

Attendees: Julie Watkins, Leah Benoit, Jerri Balkon, Susanna Whitten, Lou Baum, Dana Nuber

Julie brought the meeting to order at 6:21 pm.

Lou filled in for J.R. with the pledge and prayer because he was not able to attend this meeting. Julie said an anonymous donor is giving \$40.00 gift cards for the BBQ Dine n Dash. Another anonymous donor is giving money to the ECPAAA for Food during meetings and would like Eric Brunstad to head up the Food Committee. Susanna talked to Eric to see if he would be willing to do so and he said yes. Julie will propose the plan during the General Meeting for a vote. Susanna updated and continues to work on the ECPAAA volunteer sign-up sheets. She will get more people to sign-up during the General Meeting. What are the guidelines of the Bereavement Committee? Julie and Leah discussed and Julie will get with Betty to fill her in. Next event is Police Appreciation Week proposed for May 15<sup>th</sup>. Julie will firm up the date and let everyone know. There is no word about the Honor Guard and vehicle help. Julie wants us to ask members at the General Meeting for deserts and drinks for the Presidential Award Presentation on Monday, April 24<sup>th</sup>. Julie will pass around sign-up sheets for anyone interested in buying Hofer T-shirts. It will take 1 month to get them. Susanna mentioned a typo on the Treasurer’s report of 1 cent for savings interest. She will bring it up at the General Meeting. Julie asked what the status was for Arbor Daze. We need more volunteers to man the table, which will be next to the Police Department trailer and display. Julie will ask people to sign-up on the volunteer sheets. Leah reported that we made \$476.53 for CRUD. Dana said that there are still a lot of people that have not paid dues. She will mention it again at the General Meeting.

Meeting was adjourned at 6:48 pm with a motion from Leah and was seconded by Susanna

## CPAANT Liaison — Leah Benoit - May 2017

The meeting was held at the Roanoke Community Center on May 6<sup>th</sup> and there were approximately 40 people in attendance representing 15 cities. The speaker was Paul Lake, Founder and Executive Director of Search One Rescue Team. Paul actually spoke to the Eules CPAAA a few years ago. He started off asking what is the average walking speed of an adult to figure out how far a missing person can travel. The answer is 2 miles per hour with a travel distance of a 4 mile radius. Based on the direction a person can travel, which is 360 degrees – North, South, East, West and all the possibilities in-between, and using the formula of  $Area = 3.14 \times Radius^2$ , within 1 hour a 12.58 square mile area would be the area that would have to be searched for the person, 2 hours 50.24 square miles. This was an example of what they face when they are called out to help with a search.

The Search One Rescue Team have been in operation for 34 years and consists of 30 active members and 17 dogs, with a mixture of German Shepherds, Labradors, Golden Retrievers and Blood Hounds. They have served 150 agencies, based out of DFW Airport and 91% of their calls (average 6 per month) are within the 150 mile radius they cover around the DFW Airport. They train every Sunday for 4 hours and attend a monthly meeting. To date, they have lost 22 dogs and 1 team member. To become a team member, there is a thorough application and screening process which includes a background check. There is 6 months basic training, which at that time you earn a flanker certification. To become a K9 handler, there is an additional 18 months of training and certification. There is also an annual physical assessment, which is a 5 mile cross country walk wearing 25 pounds of gear in your search boots.

The main types of searches and percent of calls related the team performs are rural (18%), wilderness (3%), urban (42%), human remains detection (8%), light disasters (2%) and the other 27% are various other types of calls. The summer months are their busiest. A few basic K9 facts: dogs can detect 10,000 different odors; detect airborne rafts or skin cells sloughing off a person; they use scent patterns the way humans use visual images; and they can detect a single molecule of scent and can discriminate between minute amounts of scents. When trailing a person, a blood hound is usually used. They work on a lead and use a scent article from the missing person and pretty much have their nose to the ground while trailing. For air scent searches, the dog works off a lead and can detect any scent not in his pack, which consists of the handler, the dog and the flanker. The dog will bark or perform a re-find to indicate the find. For human remains detection both buried in land or submerged in water, the dogs are trained in all ranges of decomposition. The dogs work for a reward and are not affected by death. For light disaster searches, the dog works off lead and will bark when they find something. They are adapted to work in high stress, high risk environments.

At the end of the presentation, Paul brought in his dog Blade, a female black German Shepherd. Their funds come from \$10 a month dues from the team members and public contributions. ### April Volunteer Hours Comparison by Lou Baum

**Month of April**  
2016 — 657 Hours  
2017 — 464 Hours  
( -193 hours )

**Year to Date**  
2016 — 2502 Hours  
2017 — 1760 Hours  
( -742 hours ) -10% for the year

Thanks for the time in April. Arbor Daze was a bit short of hours this year, weather looked bad to start, but turned out a pretty nice day. Always appreciate the time you have to serve our servants. Have a safe May and until next time find the time to help someone less fortunate than us. Lou

**Eules Citizens Police Academy Alumni Association**  
**General Membership Meeting - April 18, 2017**

**Attendees:** Kathy Ames, Jerri Balkon, Lou Baum, Leah Benoit, Brenda Brown, Rusty Brown, Donna Cohen, Stephan Cohen, Diane Deering, Roy Deering, John Deithloff, Cathy Galloway, Paul Haberer, Loren Johnson, Don Martin, Linda Martin, Joyce Maxwell, Anniece McKanna, Yolanda Morgan, Jean Nuber, Dana Nuber, Betty Overstreet, Betty Priddy, Judy Rick, Thomas Salmi, Barney Snitz, Faye Stinneford, Jeremy Tompkins, Peggy Vandiver, Julie Watkins, Susanna Whitten, Nancy Zehelski, Rocky Fimbres

Julie brought the meeting to order at 7:04 pm

J.R. was at a funeral so Lou did the pledge, prayer and allegiance. Julie opened by wishing everyone a happy tax day. Last month's meeting minutes were approved by a motion from Faye and was seconded by Betty Overstreet. Corrections on the Treasurer's report were approved with a motion from Paul Haberer and seconded by Diana Deering.

**April Meeting Speaker - Sr. Corporal Rocky Fimbres — Refresher on CHL/LTC Do's and Don'ts.**

In 2015 open carry was passed in the State of Texas but not a lot of people do it. Rocky prefers to be concealed himself. There are 2 types in Texas. Constitutional open carry = long guns and Legislative carry = hand guns. Open carry must be in a waist or shoulder holster to be legal. It is legal to have a gun in a vehicle. It should be away from arms length. What should citizens do if they see someone carrying openly? Do nothing unless the person is causing a disturbance. Can a Police Officer arrest and disarm a person who is legally carrying a long gun in public. No, there must be probable cause to act under the Peace Officer Authority, for example, if there is a safety issue, if it is being used in a threaten manner or the person is displaying unstable behavior. First, do not confront the person and second seek safety. A person cannot carry a licensed gun into an establishment whose service is 51% alcohol, in a court, schools, polling places, racetracks, airports and anywhere there is a 30.6 CHL sign, or a 30.7 LTC sign. Anyone can get a sign for their business. It must be written verbatim and in English and Spanish. To get and LTC license you only have to attend a 4 hour class and qualify 1 time. Know your weapon. It is best to practice 1-2 times a month. CHL/LTC acceptance varies from State to State so do some research before you travel. Rocky recommends that if you have guns in your home buy a safe to keep them in, because ultimately you are responsible for anything that happens with a gun in your home.

Lou update everyone on the Brick Fundraiser. So far we have raised \$750 in brick sales. Lou encouraged everyone to feel free to buy one. He also reminded the members about the Presidential Award Presentation. It will be casual dress. Sharon Wilson, of the Tarrant County Criminal District Attorney's office will be the speaker. He encouraged everyone to come out and support this event. There will be a special award given out, but you must come to find out what it's going to be. Please bring snacks and drinks. Leah reported that CRUD brought in \$476.53 for ECPAAA. Julie told the members that a sign-up sheet was available to order a Hofer shirt. The cost is \$13.00 and to make checks payable to ECPAAA. Susanna updated the members on the Volunteer Sign-up Sheets and pass out the updated ones. She encouraged everyone to sign-up for a committee, task or job. There are lots of openings that need volunteers. Julie mentioned that Police Appreciation Week was coming up in May and if anyone had ideas to let her know asap because it is coming up quickly. Julie said the Eules American Legion is an organization that is often times overlooked. If you can use their services for anything please give them a call. They want to be involved. Julie said during Arbor Daze the sky tower will be there. We are setting up a table next to the Eules Police Department. We need volunteers to help from 10 am to 9 pm. Dana said she was collecting plates and gift cards from \$5 - \$25 for the ECPAAA BBQ Dine n Dash. The plates that are no more than 8 inches work the best. Faye encouraged people to consider taking the Rape Defense Class taught by James at the Eules Police Department. The class is one month long and is on Wednesday's from 7-9/10 p.m. E-mail [Keller@eulesstx.gov](mailto:Keller@eulesstx.gov) if you are interested. Julie led the members in a Happy Birthday song to all the April Birthday recipients.

Meeting was adjourned at 8:23 p.m. with a motion from Judy Rick and seconded by John Deithloff.
