## ECPAAA Mission Statement

"To provide the citizens of Euless a better understanding of the dedication and integrity of the police department"

**A Little Food for Thought:**

Subject: KEEPER

My mother even ironed Christmas ribbons - they were rayon then.

I grew up in the Forties and Fifties with a practical parent - My mother, God Love Her, who ironed Christmas wrapping paper and reused it and

who washed aluminum foil after she cooked in it, then reused it. She was the original recycle queen, before they had a name for it. It was the time for fixing things - a curtain rod, the kitchen radio, screen door, the oven door, the hem in a dress. Things we keep.

It was a way of life, and sometimes it made me crazy. All that re-fixing, reheating, renewing, I wanted just once to be wasteful. Waste meant affluence. Throwing things away meant you knew there'd always be more.

But then my Mother died, and I sat in my kitchen one Sunday afternoon reading her old handmade cookbook in a binder, I was struck with the pain of feeling all alone, learning that sometimes there isn't any "more". Sometimes, what we care about

most gets all used up and goes away - never to return.

So, while we have it, it's best we love it, care for it, and fix it when it's broken, and heal it when it's sick.

This true, for marriage, old cars and children with bad report cards, and dogs with bad hips, and aging parents and grandparents. We keep them because they are worth it, because we are worth it.

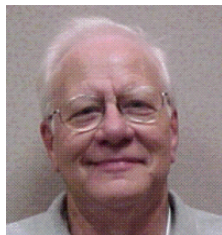

Some things we KEEP. Like a best friend that moved away or a classmate we grew up with. There are just some things that make life very important, like people we know who are special. And so we KEEP them CLOSE.

Let's continue to be close and KEEP those special friends in our prayers daily and spread the good word KEEPING us all together as one special family.

God Speed ---

Lou

## Lou's Views

Happy October Fest to all. With this article being my third to last one, I wanted to take this opportunity and recognize some of my "heroes" for the past

two years. To name a few members that have always been there, no matter what, when the Executive Board or yours truly needed support. Every organization has to have members that work quietly and behind the scene, but are always there to support the situation or event. In no particular order, here are my "super heroes" that have made this organization a shining star.

SHARON FINNEGAN - I only have to make one phone call, no matter what time it is, give her an assignment and go on to the next opportunity. The request is fulfilled with grace and dignity whether it is for a bereavement of one of our beloved members, or a barn burning bash, my gal Sharon is hero #1.

LEAH BENOIT - My statistical genius for the past eight years, every chart, report, summaries or editorials don't get by her without everything being 150%. Being one of the past Presidents, I have counseled with her countless times helping me through some tough decisions to insure we are maintaining the highest of standards for this organization. I can't imagine a successful Arbor Daze Event without her contributions. My gal Leah is my hero #2.

HELEN WAGNER - Our organizational "Mom" that see to it everyone is taken care of, before, during and after each meeting. One of the most caring and loving ladies one could know. This organization is so much richer to have Helen in our lives, and gives so much time to all of us. My gal Helen is my hero #3.

BETTY OVERSTREET - If you need something done first class with all the frills and excitement, on time with loving care, give this opportunity to Betty. This organization is much wiser with the likes

of Betty Overstreet. My gal Betty is my hero #4.

AL SIMMENROTH - My right arm for the past eight years, my confidant on many occasions day or night. Al has been there for this organization for many years, and that's why he was awarded the Gold Award from the President of the United States for his thousands of hours of volunteer work for this City. This organization could not even think about a successful Arbor Daze Event without "Mr. Al" being on the front lines for us. A gentleman's gentleman for sure and is one of my great "heroes". My man Al is my hero #5.

CHRIS SHANAHAN - Since his graduation from Class #6, Chris has been the "go to person" for whatever the needs or challenge might be. From the computers to the voice of Max and Maxie, from squad car maintenance to setting up the speed van, our first editor of the newsletter, and everything in-between, you can always count on Chris to be there when you need him. Always has a smile and ready to help, Chris is my hero #6.

J.R. GOAD - Since his graduation from class #17, he has been a "Gold Award" Volunteer for this organization. His contributions and involvement as Chair of Fund Raising has been enormous to this organization. He volunteered to chair the 2004 Budget, which took a big hit when Arbor Daze was rained out. Made several changes to the Budget so we could still have a successful year and complete some important projects. J.R. is my hero #7.

ROSE-MARIE STEVENS - For the past two years has kept this organization working within Budget, even without our major fundraising events to produce the budgeted dollars to complete the many projects that were planned. Held a steady hand over the likes of your President, who likes to spend money. Always been available for every member and has a super attitude toward the success of this organization. Rose-Marie is

KAREN DUNCAN - Solid as a rock and doesn't miss a thing that is said or done during our meetings. Our official Recording Secretary these past two years and done a phenomenal job, not only recording our history, but has co-produced the monthly newsletter. Spends untold hours for this organization during Arbor Daze, Bass Pro, and other important fundraising events. Karen, you are my hero #9.

ADIS UMPIERRE - Stepped forward and assumed the Vice President's role. One of her assignments was to keep this organization informed with monthly speakers, inside Law Enforcement and outside areas of major importance. Her intense enthusiasm for life just boils over to all of us in the organization. Her involvement in all areas of this organization is second to none. We are lucky to have Adis as a big part of this membership. Adis, you are my hero #10.

CINDY CARTER - A 2004 Shinning Star that everyone should look up to. Cindy, along with Karen Duncan, has produced our monthly newsletter, plus has stepped forward and help nurture the COP Program when Don Martin stepped aside to help his lovely wife Linda win a seat on the City Council. Cindy has also spent untold hours working in several areas of the Police Department, whenever there was a need, Cindy made herself available. Cindy, you are my hero #11.

THE ZAVALAS, RICHARD AND RUTH - What a magnificent couple that have been totally involved since graduating from Class #13. There is not one fundraiser that Richard and Ruth aren't the first to sign up and the last to leave. Just this year celebrated their 50+ wedding anniversary. This organization is so proud to have these two wonderful Citizens as a huge part of this organization. For this, Richard and Ruth you are my heroes #12 & #13.

**DON MARTIN** - The original "Mr. COP", put together our First Citizens on Patrol Program, City Wide, spent many, many hours on the phone putting together a workable schedule for all of the COP members. Today the program has grown to over 60 qualified members and two patrol cars to patrol our City streets. Since his graduation from Class #6, he has been on the forefront supporting all of our fundraising events. Don and his lovely wife Linda are two of our solid core members of this organization. Don, you are my hero #14.

**LINDA MARTIN** - Has graced this organization since graduation from Class #5. Was elected this year by the Citizens of this City as a City Council Member. Linda is another Alumni Member who is always there when an important fundraising opportunity is presented. Linda has always insisted we continue to raise the bar of excellence in all that we do for this City and organization. This organization is so proud that she will continue to shine as a Council Person and make wonderful contributions to the Council as she does with this organization. Linda, you are my hero #15.

**FAYE STINNEFORD** - My Merchandise Manager "extraordinaire", our T-Shirt, Cap and Pin Sales Lady. One of the first members to sign up for all fundraising events, totally involved with this organization to insure all goals are met. Spends long hours on the golf course insuring the Annual Michael Williamson Memorial Golf Tournament is a success and watches out for hubby Tim to insure he keeps the ball in the fairway. Faye, you are my hero #16.

**BARNEY SNITZ, BYRON BENOIT, BOB BOUSE, JIM ADAIR, DAVID BOLGER, RICHARD RICK, DAVID SHANAHAN, WES WEEKS, and WARREN HINKLEY** - these gentlemen continue to support this organization in every possible way. This organization could not function without their continued support in many areas of the Police Department. Their volunteer hours in all Departments would stagger the imagination. Many thanks to you fellows because I look up to you for solid support. You gentlemen are my heroes #17, #18, #19, #20, #21, #22, #23, #24, and #25.

**DAVID MISHKIN** - Our in-house "philosopher" who continues to amaze us with his wit and humor all during the meetings. There is never a dull moment when Mr. Mishkin is in the house. Our number one "tire kicker" at Arbor Daze when a Citizen does not respond to his directions. A pure joy and an honor to have this gentleman grace our meetings. For that my man, you are my hero #26.

**JACKIE BENNER, SARAH CHANDLER, TERESIA FOREMAN, ERELENE HILL, DAGNE LOFF, JUDY RICK, KATRINA THOMAS, SUSAN VEST AND MOM BILLIE, PAULETTE TINKER and JUDIE NOLDEN** - You ladies have been the backbone of this organization from your class graduation and have always stepped forward and make this

organization the shining star that it has become. For that I thank you and you ladies are my heroes #27, #28, #29, #30, #31, #32, #33, #34, #35, #36 and #37.

**GERI SORG** - Last, but not least, our First President of this organization. Geri has given thousands of volunteer hours developing a group of individuals that have serviced the Police Department in so many ways. From Class #1, she has given her time and talents to insure this organization stay on course as the number one volunteer organization in the City's History. Her grace, dignity, and enthusiasm toward this Department and Alumni Association will forever shine as one of the brightest stars. This is why Geri is my #38 hero. (Really, she is my #1 Hero since 1994). Boy, some great stories we could tell about the history making events of this organization. From Houston to West Texas, stay tuned.

**THIS ORGANIZATION COULD NOT HAVE COME THIS FAR WITHOUT THE TREMENDOUS SUPPORT FROM THE CITY MANAGER'S OFFICE, COMMAND STAFF AT THE POLICE DEPARTMENT AND LINE OFFICERS OF THE POLICE DEPARTMENT.**

My personal thanks to our City Manager, Joe Hennig, Deputy City Manager, Gary McKamie, Chief Leonard Carmack, Asst. Chiefs Bob Freeman and Harland Westmoreland. To my dear friends, Chief Mike Brown, Lt. Wayne Pavlik, Sgt. Ron Williamson, and Sgt. Gary Landers, for making these past nine (9) years a memorable one that I will never forget. You always made yourselves available for me and this organization. As I leave the Executive Board in three months, for the last time, I will cherish the time spent with life long friends. As time permits, I will be in the shadows of each meeting to insure the Alumni Association maintains its shining star and continues to lead this City in volunteer Service.

Personal Regards,  
Lou

### ALL DRESSED UP AND MY PARTY WAS CANCELLED

By Karen Dutton

May 27, 2004 – a date that stands in infamy in my mind. I will not forget this day for a long time to come.

It was my graduation night from the Euless Citizens Police Academy class 19.

The day was overcast and rain was predicted, but I wasn't about to be gloomy and let it 'rain on MY party!' I arose at 5:00 am (that's early!) – so excited that it was my graduation day. With classes and homework behind me, I could hardly wait to receive my much anticipated diploma.

Wanting to look my best, I headed for the Beauty Shop at 7am! That's early too! You see, I knew my work would be cut out for me. With all my energy and much excitement, I spent 8 hours there! When I walked out, however, I looked GOOD! I headed home to finish up. I filled the tub with hot water and plenty of bubbles. I

soaked every corn and callous and scrubbed my hide till it was pink and rosy. Getting dressed took a little longer than I had planned. I had to find my corset, and found it right where I had thrown it the last time I wore it (which had been about 3 years ago when I had gone to hear my brother's band play country music at the "Blue Moon" in DeLeon, Texas). I was planning to wear that very same 'rigging,' as when I wore it to the dance, I had many many 'offers.'

I guess I had gained a little weight in 3 years, because I had to pull, tug, huff and puff – but finally got the thing laced up. It was a good thing that I had been too excited to eat all day long, or I might not have gotten it on! Now I was all dolled up and I reached for my best perfume that I saved for only SPECIAL occasions. It is in a beautiful little blue bottle that you probably have never heard of – "Evening in Paris" – and as I dabbed on a little extra, just for good measure, I knew it would truly be and "Evening in Euless."

It was now 6:00 pm and I was to be at graduation at 7:00. I made sure the mirror did me justice, insuring every hair was in place. It was while I was checking myself out in the mirror that huge clap of thunder let me know it was pouring rain! I ran from one window to the other peeking out to see if there was going to be any relief in sight. At 6:15, the phone rang and it was Assistant Chief Bob Freeman. He told me that graduation had been cancelled due to the rain! "NO!" I shrieked! I was so disappointed! I asked him "How can they DO this? After all," I explained, "the storm has let up and perhaps it's passed over by now." His response was that it would be too dangerous for everyone on the road with the weather condition as it was (you know traffic cops). Frantic, I went on and on about how I was now girded into my corset and had on my very best 'bib and tucker,' not to mention my best perfume. "I'm all powdered up and now I have no place to go?" His answer was, "spray it all down; it will keep till tomorrow night – same time, same place." As I slowly hung up the phone, disillusioned, and disappointed, I crawled into the bed . . . in my "Evening in Euless," my makeup, and my corset!

The next morning, I was stuck to my pillow! I got unglued and headed for the beauty shop AGAIN. It was going to be long day and I was in need of much repair. I had made plans to visit my old mother as this was Memorial Day week-end. My sister and I planned to leave when she got off work on Friday night, which was now the new graduation night!

The class picture, the ceremony, the fun, food and fellowship would happen *without me!* It may have been just as well, as I understand my name was printed all wrong on my diploma and I never even received it! The class picture now hangs in our classroom without me in it. I guess it rained on my party after all.

### Meet our Members

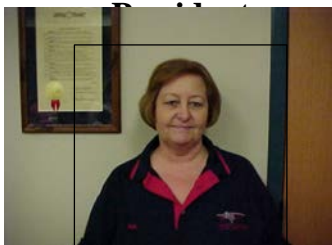

Karen Dutton is a graduate of Class 19, even though she missed the graduation ceremony. Karen has lived in Euless for 44 years and as stated in her own words her job title is "Operator of Cosmetology". I have to tell you she does give great hair cuts and there is not a dull moment while you are in sitting in the chair. Karen's personality has a way of energizing you that once she has worked her magic you want to stay and visit until its time to close the shop. Class 19 had some very lively moments of laughter and lots of questions, thanks to Karen and others who made their CPA class experience one to remember. Karen is a widow and has two sons Kevin and Kyle. Oh

yes, she has some grandchildren, who are dearly loved by this fun grandmother. Karen's story of missing the graduation due to a date change follows, so be prepared to laugh and enjoy a great story from a good storyteller. By the way Karen have you thought about writing a book or a column for the newspaper. Those ladies and men who come to the shop for some great magic surely tell some stories that some of us wouldn't every believe, but they would make great reading. I'm sure everyone could use a good laugh and reading an interesting story. Thanks for sharing your story and agreeing to let us publish it for everyone to enjoy.

Have you noticed how beautiful music sounds when you have all the parts, and the parts blend perfectly? The success of this Organization is like making beautiful music. Some have the more important roles; yet the roles that appear less important are the most important to the success of this Organization. Never, Never look at your job or role in this Organization as unimportant. You all are very important to the total success of this Great Family we call ECPAAA.
