### The Big Surprise in March

The President's Council on Service and Civil Participation and the President of the United States of America were not present in the meeting last month, but they did send letters of recognition and Pins to our organization and to the individuals who volunteered 100+ hours in 2003. Our Mayor and Chief of Police were in attendance to present these awards. Copies of the letters and pictures of the ceremony can be found on page 3. As an added twist the members surprised Lou Baum with gifts for his leadership. It was a great evening full of fun and surprises.

**“To provide the citizens of Euless a better understanding of the dedication and integrity of the police department”**

## Eules Citizens Police Academy Alumni Association

Arbor Daze is only a couple of weeks away and I hope everyone is gearing up to park some cars. This is a lot of work and if you have not been able to sign up to volunteer your time there are still plenty of open slots available. I hope to see everyone there and I will assist you

in any way I can to make the three day event a success. Thank you in advance for the tremendous support that the Alumni Association gives during Arbor Daze.

A big thanks to David Mishkin and Don Martin for helping shred the mounds of paperwork that are generated at the Police Department. These gentlemen shred bag after bag of old reports for records. If you would like to volunteer to shred some paperwork as well give me a call and I will get you connected with records.

Thank you to the alumni members that assisted class 19 with building searches and traffic stops. The class enjoyed both of the hands on training very much. This would not have been possible without your support. The class wants to do more building searches on a Saturday sometime soon, so I may be calling on some of you to assist me.

The Citizens on Patrol group is doing a fantastic job in patrolling on a more routine basis. The cars are being used during the entire week and we appreciate your support. Remember the more sets of eyes out their watching the streets of Eules the safer we make the community. Keep up the Good Work!!!!!!!

Sincerely,  
Gary

On Tuesday morning April 13, 2004 our dearest friend, M. Lloyd Baldwin, joined our Heavenly Father for a much more important assignment. A long time library foundation volunteer, citizen on patrol in Morrisdale since 1995, class 13 Academy alumni member to mention only a few of the volunteer organizations Lloyd participated in. He was looking forward to Arbor Daze and any assignment he would receive during the three days.

Every time you go to our library Lloyd's watching over us sitting so peaceful on his favorite bench at his favorite place to be. Take a second and say hi to our friend, he will hear you I am sure. As this newsletter is going to press, arrangements are still pending. Our thoughts and prayers go out to Sybil and all of the family in this great time of sorrow.

Congratulations!

On behalf of the members of the President's Council on Service and Civic Participation we congratulate you on earning the President's Volunteer Service Award.

This Award recognizes your dedication to volunteer service over the past 12 months and signifies that you have served your community and your country with distinction. Through your volunteer efforts, you are demonstrating values that make our nation strong and you are helping to build a culture of citizenship, service, and responsibility in America.

We hope that the efforts you have made over the past year become part of a lifelong commitment to serving others and to being actively involved in your community. To encourage more Americans to make service to others a lifelong habit, the President's Council has created the President's Call to Service Award. This Award honors individuals who answer President Bush's call for every American to complete 4,000 or more hours of service over the course of a lifetime. We strongly encourage you to achieve this goal.

By volunteering, you have joined a remarkable team that includes millions of Americans whose everyday acts of kindness and decency make our country a better place. Please help make that team even stronger by encouraging your friends and family members to serve. Americans of all ages can get involved and make a difference in their communities.

Congratulations again on receiving this President's Volunteer Service Award. And thank you for demonstrating the best of the American spirit.

John Glenn  
Honorary Co-Chair

Congratulations on receiving the President's Volunteer Service Award from the President's Council on Service and Civic Participation. Through service to others, you demonstrate the outstanding character of America and help strengthen our country.

In January 2002, I called on all Americans to dedicate at least 4,000 hours over the course of their lives to serve others at home or abroad. I congratulate you and all American families and groups who have answered this call by volunteering a total of at least 200 hours over the last year. Americans of all ages can serve others in countless ways, such as mentoring a child, caring for an elderly neighbor, teaching someone to read, cleaning a park, and creating a safer neighborhood.

Through the USA Freedom Corps and the President's Council on Service and Civic Participation, we are building a culture of service, citizenship, and responsibility in America that will last for decades to come. Americans continue to serve and are part of the gathering momentum of millions of acts of kindness and decency that are changing America, one heart and one soul at a time. Your actions contribute to this change. I encourage you to ask your friends, family, and colleagues to join you in serving your community and our Nation.

May God bless you, and may God continue to bless America.

### *Lou's Views*

What a busy month with some surprises for all. Thanks to the "Recycle Crud Team", the "Trash Off Team" the "Bass Pro Team" who really had a long day last Saturday. The Bass Pro event was a last minute surprise, so my thanks big time go out to the folks who did a double duty on Saturday. Leah and J.R. have done an excellent job putting the Arbor Daze Roster together and as always my best to the 35-40 members that have signed up to volunteer their week-end to our largest fund raiser of the year. If you have not signed up and can give a few hours during Arbor Daze, please call J.R. or Leah soon. We will be in touch with most of you this week.

On Thursday evening April 22 it is carnival night for the families. For twelve bucks you can ride all night for one price. My thanks go out to several of our members who are supporting the Fire Academy Alumni Members to help them pick up a few bucks. The particular evening is growing because it is so expensive on the other three nights. So bring out your families and enjoy.

I was very excited when I saw that we have several members signed up to go to our State Convention in August. There is still time to sign up and come enjoy a state gathering of many Alumni Associations and have a nice vacation too. If you need the forms they will be available at our next meeting on the 20th.

Being that Arbor Daze is the week of our meeting we will have our pizza party combined with a quick business meeting starting at 6:30PM. At 7:00PM Adis has a speaker for us to enjoy and then around 8:00 PM we will take a few minutes to complete our Arbor Daze Rosters and answer any question that you might have concerning Arbor Daze.

For those who have not heard or read last Sunday's Star Telegram, our own Kathy Haecker was honored this past week at the Ft. Worth Convention Center for being one of the finalist as "Women

of the Year" for Northeast Tarrant County. We are so proud of you Mrs. Kathy Haecker for all you have done for the crime victim's of the HEB Area. Kathy has helped hundreds of families in a crises situation over the past three years. There were over 600 folks that honored great citizens like Kathy. She is one of our true "hero's" and proud she belongs to our family of great citizens.

For those in our family who have been under the weather, our prayers are with you for a fast recovery. If for some reason we have missed hearing from you and you need our help, please pick up the phone and call one of us. We are here for you day and night. If you need Sgt. Landers, call his office and if he is not in, his pager will reach him immediately and he will be in touch with you.

Thanks for all you folks do to make this a better place in which to live. I look forward to seeing you on the 20th. And by the by, thanks for my surprise last meeting. Normally those kind of surprises I find out about, boy you all hid that one big time. Had many great comments on my new shirts you gave me. Take care of each other and see you soon.

Sincerely,

Lou

### LOU'S THOUGHT FOR THE MONTH

**Don't ever be afraid to admit you were wrong. It's like saying you're wiser today than you were yesterday.**

**When God measures man, He puts the tape around his heart, not his head.**

## Eules Citizens Police Academy Alumni Association

This page is just one day in the life of our members! This was Texas trash off and CRUD day—plus at the last minute we got a chance to do a fund raiser at Bass Pro on the same day! What a day, what a day!

### Membership Update

Beginning in April your Membership ladies will be sending letters to graduates of the Citizens Police Academy inviting them to join or renew their membership to our great organization. So if you know of someone who is a graduate of the CPA and they haven't joined us, please encourage them to join us.

Also, current members will be sent a questionnaire requesting an update on personal information, just in case you have a new address or phone number. We will include a sheet outlining the various activities the

ECPAAA is involved in during the year and request you check those that you would like participate in. In addition, we would like for you to tell us some of your hobbies, other areas of interest, and any special skills you have, you never know when they may come in handy.

So watch your mail and please return the form, even if you have already completed one, we are compiling a database and want to ensure that every member is included.

### Kathy Haecker nominated for the 2004 Star Woman of the Year

We are proud of Kathy Haecker and we think she is a worthy of this honor, even if she did not come in first! From the Sunday, April 4th Star Telegram: "Since 1999, crime victims in Hurst, Eules and Bedford have turned to Kathy Haecker for help when they needed it most. Haecker is a liaison between the police and crime victims. She worked on a volunteer basis until 2002. With a compassionate heart, Ms. Haecker ensures that rape victims have access to counseling, finds safe housing for victims of domestic violence and helps murder victim's families pay for funeral expenses. She spends countless hours researching local and state agencies to get crime victims the help they deserve. She provides training to police officers to keep them updated on the services to victims. Haecker is also active in her church, volunteers in the Eules Police Academy and offers support in many other areas of law enforcement."

### BULB FUNDRAISER DUE April 20, 2004

The fundraising with Flower Bulbs from Van Bourgondiens payment collection envelopes are due at the meeting on April 20th. If you cannot attend the meeting on the 20th, please get them turned into the ECPAAA office by the 20th

### Map of the World

*A father wanted to read a magazine but was being bothered by his little daughter, Vanessa. Finally, he tore a sheet out of his magazine on which was printed the map of the world.*

*Tearing it into small pieces, he gave it to Vanessa, and said, "Go into the other room and see if you can put this together."*

*After a few minutes, Vanessa returned and handed him the map correctly fitted together. The father was surprised and asked how she had finished so quickly.*

*"Oh," she said, "on the other side of the paper is a picture of Jesus." "When I got all of Jesus back where He belonged, then the world came together."*

If you missed the meeting, you missed Lou's surprise. Our Association and members who volunteered 100 hours or more received President's Council Volunteer Service awards. On hand to present the awards were Mayor Mary Lib Saleh and Chief Carmack. Gold was presented to the Association as a group and Al Simmenroth. Individual award recipients were Leah Benoit, Cindy Carter, Karen Duncan, Sharon Finnegan, Jim Adair, Kathy Haecker, Don Martin, Chris Shanahan, Wes Weeks, John Erickson, David Bolger and Lou Baum. The awards were for service in 2003. Each person received a letter signed by the President, a letter from Washington and a neat lapel pin. The Association received a nice plaque for our office. If you were not recog-

nized as an individual, you were a valuable part of the award presented to the Association for 1000 hours or more. Congratulations to all!!

Chief Carmack introduced Cpl. Richardson whose job is now full time crime scene. Asst. Chief Freeman who hired in with Cpl Richardson had a few words to say. The new equipment voted on in the last meeting has been received and Cpl. Richardson is already started putting it to good use. He thanked the Association for the purchase and answered questions on the equipment. Another item presented to the Association on the PD wish list is a computer and software for photo lineup to identify crimes.

Chief Carmack thanked us for our part in the Awards Banquet and presented an award to the Association.

We surprised Lou with some Thank You gifts for all his hard work for the organization. With money collected we were able to purchase some nice golf shirts and caps from Texas Star.

Three members of our current Class 19 were present and recognized – Dagne, Teresia and Mary Jane.

Kay Goad thanked all for the anniversary cake presented to J.R. at the last meeting.

Approval for the February minutes made by Tim Stinneford. Second Susan Vest. Passed.

Approval for the February Treasurer report made by Ann Zimmerman. Second Tim Stinneford. Passed.

Current money market balance \$3758.10. Checking account balance \$989.00.

Lou spoke of the Police Department newest item on wish list.

Leah had bulb order brochures available. Deadline for turning in will be April

meeting. Remember we will receive half of all sales. Sell to your neighbors and friends. It is a nice assortment and an easy way to make money.

Leah will be attending the Convention in Moody gardens and would like to put the Association up for the Association of the Year award. Also she would like to nominate our President – Lou for member of the year. She will need help in organizing the material and getting all the information together for this process.

Faye Stinneford will be placing an order soon so if anyone needs a hat or shirt let her know as it saves money to make one big order. Think about Arbor Daze – you may need a hat for that Texas sun.

Ann Zimmerman gave a report on Membership. Ann and Mildred have been working on an Excel spreadsheet of all members past and present. They will contact old members to try to interest them in rejoining. Updating profiles on all members will also be something they will work on.

Lou asked those planning on attending the state convention to show hands as some idea is needed to determine if it will be possible to have a booth to sell miscellaneous items and make money. 12-15 indicated an interest and planned to attend.

Remember April 3 is CRUD 8A-815A arrive and Trash Off in Bob Eden Park arrive 8A-815A. It was mentioned that there are Committees in Eules that periodically pick up trash in city parks but Trash Off is a city-wide get more people involved Day.

Lou reminded everyone that March 26 – Friday at 2 PM there would be a presentation in front of the Police Department for the retiree bricks. Also we will present the City with the granite

department for the retiree bricks. Also we will present the City with the granite

## Eules Citizens Police Academy Alumni Association

Brick from the Association. Following at 3 PM at City Hall a retirement party for officer Babbs.

Lou announced that we received a check for \$480.00 from Leah Benoit's company. Thank you Leah!

We will again have a budget review. There was discussion on the Benevolent fund and what monies we may put in the fund. Possible suggestions were the \$500 donation from Wal-Mart and the \$895 Bass Pro Income. The Benevolent fund receives money from the Golf tournament and other donations. Clarification was made that the Police Officers have a separate fund. They do not contribute individually to the Benevolent fund.

Discussion was held on the purchase of a computer and software for the CID Multi Media room. Cost would be \$1742.28. Due to the type of work done, a computer fully designated to that office would greatly enhance details and the lineup capability. Motion to approve made by Linda Martin. Second by Chris Shanahan. Approved.

Currently there are available funds in the Budget under future Projects. Additional income for Brick Sales will be \$1200.00.

Adis read a Thank You note from Ann Marie Snitz thanking everyone for the sweatshirt and cap.

Adis announced Volunteer of the Month will be Judy Rick. Congratulations Judy!! Judy will receive a gift certificate for Texas Star.

We have been offered the opportunity to attend a CPR class. The class will be on a Saturday in May and will allow 12 participants per class. Those interested give names to Adis.

Due to personal reasons we have received a resignation from John Erickson – First VP. We are sorry to lose John and at this time we will leave the position open. Adis will be meeting with the committee

chairpersons to select the monthly and quarterly volunteer.

Lou announced we will be under budget for the Trading Cards offered to Police officers. Five officers will be receiving cards as follows: J. R. Kraft, R. D. Powell, Ron Williamson, Steve Kockos, C. B. Sanders.

Wes Weeks thanked everyone who attended the recent regional meeting held in Eules. The April meeting will be held in Fort Worth. Wes is helping CPAANT work on a website which they hope to have in place soon and everyone will have an opportunity to view the latest happenings on the web. Lou has talked to Garland CPA.

Don Martin has turned the COP Program over to Cindy Carter. Currently Don will devote most of his time to his new job of campaign manager for his wife who is running for a position on the City Council.

Cindy Carter reported that Spring break week the cars were scheduled out every day. Yeh! Yeh! Yeh! The presence of the car during the day has generated a lot of positive feedback from citizens.

Lou mentioned we will be starting a new monogram brick fundraiser. We have had several new classes since the bricks were offered and there are still a lot of opportunities out there to sell more bricks. More details to follow.

Looks like we will be getting a brand new COP car from Allen Samuels Dodge soon.

Officer J. J. Gordon spoke in Gary's' absence. Eules will be putting on the summer camp along with the Eules Fire Department. Camp dates will be June 7-11 and June 21-25. Children ages 10, 11 and 12. Cost is FREE. This year there will be more emphasis on training. Our help is needed as volunteers. Contact Gary Landers or J. J. Gordon if you would like to volunteer for a day or a couple hours. We have allotted monies in the Budget to go towards this worthwhile camp. Each

child will receive a T-shirts. A bus has been donated to transport the children to Hurst for lunch on Tuesday, Wednesday and Thursday. Monday the meal will be provided by Chick Fillet. Friday will be a cookout.

If you missed the Brahmas game, Eules PD came out ahead and won the guns and hoses competition. They received a cash amount as they beat all opponents.

J. J. thanked everyone for all their volunteer hours for the City and the PD. No Dare Program this year. Reported David Priest is doing much better. He has lost 19lbs. which is good and is more concerned about his daughter who recently went to Iraq with the military. J. J. reported new son Zane is doing well – at 4 months he weighs 18 pounds and is 26" long.

Cindy Carter reported Barbara Lucas recently fell in her home. She would enjoy receiving cards as she really misses being able to participate with us.

It was reported David Mishkin is recovering well and doing much better.

Lou thanked all for his gifts.

Brochures were available for Arbor Daze. This year there will not be coupons to get the parking pass for Eules residents. You will get the parking pass at the Midway Recreation Center by showing your Eules drivers license. Lou hoped to have tickets for the entertainment at the next meeting but those will be available at Texas Star.

At 9:10 PM motion to adjourn made by Geri Sorg. Second J. R. Goad.
