ECPAAA Mission Statement

"To provide the citizens of Euless a better understanding of the dedication and integrity of the police department"

Thanks for the Memories Lou Baum

This is his last meeting of 2004 as President of the ECPAAA and to just say Thanks seems very inadequate for someone who gives a full 100 to 110% to this organization. Lou, his wife Vicki and daughter Catherine

live in the Morrisdale Estate Neighborhood. Lou has been involved with so many other organizations you wonder when he has time to sleep or even be at home. You may want to sit down for the following is just a sampling of how busy Lou stays. He is President/COB of The World Life Foundation. The Family Foundation disseminates information on metabolic diseases to parents and/or patients and assists in ground/air transportation to treatment centers all over North America. Their Foundation has secured the lives of over 1,000 children since 1991 and all these services are free. The Foundation was featured in the National American Profile Magazine as their Hometown Hero in 2001.

In 1998, President Ronald Reagan requested Lou serve and assist the National Commission on Rare Diseases. This committee impacted decisions on Medical Research, Health Care, Medical Treatments, Professional Educational Needs, Public Education and Health Care Insurance Coverage. Lou served with representatives from the National Institutes, the FDA, Department of Health and Mental Hygiene, and from the National School of Medicine.

Lou was appointed by the Secretary of Health to serve on the Consortium on Rare Diseases (CORD) in Washington, D.C. The Consortium created and disseminated the First Rare Disease Information Directory and Guidelines for Rare Diseases for the Free

World. The National Child Labor Committee awarded the prestigious Lewis Hine Award by the National Child Labor Committee. This award is given to only five individuals nationally per year who improve the lives of children around the Free World. The Mayor of Eules accompanied Lou to Washington where he received the award.

Lou grew up in Joplin, Missouri and graduated from Joplin High School. He immediately signed a Major League Baseball Contract with the Washington Senators, reporting directly to the Parent Club. He played with and became close personal friends with Mickey Mantle. Just think Lou, you could have been a Texas Ranger!

Lou's career, the paid one, not the volunteer one, includes the following; J.C. Penny's for 18 years, Regional Manager for two National Furniture Manufacturing Companies for 15 years and two years as Chief Operating Officer for a large Health Care Company before he ever came to the City of Eules.

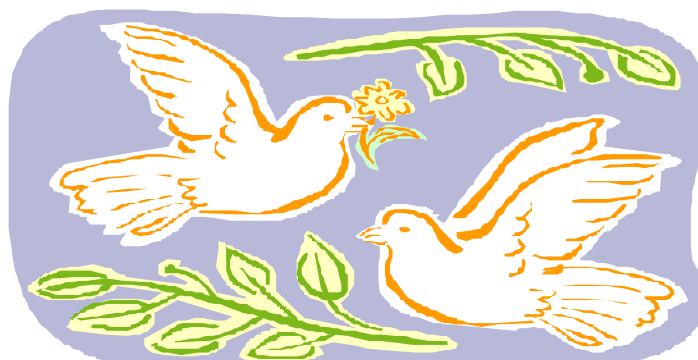

There are so many other honors Lou has received, but if you talk to him about family, his eyes light up when he tells you about Vicki and her achievements both personal and professional. Lou's face beams when he tells about daughter Catherine and how proud he is of her and her achievements. So to you Lou, thanks for being able to serve the ECPAAA and do all the other things you are involved with and for taking time from your family.

MEMORIAL

This year the Alumni have lost two members, Lloyd Baldwin a graduate of Class 13 and Silvia Perez a recent graduate of Class 19. Lloyd has a statue in front of the library for his dedicated service. He was an emeritus member of the Eules Library Foundation. Lloyd was a proud member of the Citizens on Patrol for the Morrisdale Neighborhood Association. In his early years, he worked as a radio announcer and band vocalist, singing with the Baron Dakin Band. Lloyd's quick wit will be missed.

Silvia was a member for a short period of time, but we will remember her love of all things around her be that family or friends. Silvia wrote on her interview page under Interesting Life Experiences was all the traveling I was able to do as a military wife for 20 years. Silvia had a radiant smile, which will be missed by all.

So Silvia and Lloyd, you will be missed and we know that you are watching over our family and friends, so our friends, Good-Bye.
