ECPAAA SPEAKER OF THE MONTH

General Meeting

Tuesday March 20, 2018 - 7pm

Suzanne Hendrickson

Emergency Management Coordinator

Eules Police Department

Suzanne Hendrickson has been the Emergency Management Coordinator for approximately 1 year. However, she is a long term employee with the City of Eules, previously serving in the Parks & Community Service Department. Suzanne will present information about Nixle. Nixle is the City's mass notification program that citizens can register for to receive advisories and emergency alerts that may affect the City of Eules. For important City of Eules advisories 24 hours a day, sign-up online at www.nixle.com

Suzanne Hendrickson can be reach for questions and comments at the Eules Police Department by phone 817-685-3144 or e-mail, shendrickson@eulesstx.gov.

Thomas Salmi

Meet our newest Board Member, 2nd Vice President, Thomas Salmi. Tom has enjoyed living in Eules for more than 20 years. He became curious about how the Police Department protects the community. The Citizens Police Academy provided a wonderful opportunity to get some honest answers about the Eules Police Department. He got the great answers and much, much more. In 2015 Tom completed ECPA Class 31. He became a ECPAAA member and within a short time was involved with some very interesting volunteer service on the following teams: Citizens On Patrol (COP), Sky Watch Tower (COP), Vehicle Maintenance Assistance (Patrol Division), Speed Trailer deployment (Traffic Division) and Document Shredding (Criminal Investigation Division). Tom feels extremely fortunate to be associated with all the dedicated ECPAAA members through fun social activities, informative meetings and always having interesting volunteer service opportunities. He is here to join with all the Alumni members to continue to do the very important mission of the ECPAAA.

Our Mission: To provide the citizens of Eules a better understanding of the dedication and integrity of the police department.

From the Desk of Chief Mike Brown

With it being Spring Break time for the schools, can spring be that far away? I hope not! I know it hasn't been a brutal winter but I'm still ready for warmer weather. Not quite ready for hot, but I will take a little warmer weather. The warm weather also brings with it the chances/probability of severe weather striking us. Please, remember the things you have learned through your training and be prepared!

I had a great time swearing in the new crop of ECPAAA officers at the last meeting. I always enjoy the opportunity to visit with the men and women who give of their time and talents to serve this department. Thanks for letting me be a part of the very special evening.

For those of you who were not there, you missed a great program. Our Civilian Services Manager, David See, spoke about his career with the NCIS and his last twenty years as a Secret Service Agent. David has traveled the world guarding the President, Vice President, former Presidents and their families. He's flown on Air Force One all over the world and has been the lead agent in numerous counterfeiting cases. If you were there you know what a special night that was. If you haven't had a chance to meet David, stop in and see him at the Euless Police Department, he'd love to meet you.

We have three officers in the Police Academy, they are doing well and we expect them to successfully graduate and move on to their field training. There is another Police Academy starting next month and we will have at least two officers in that academy. So, as you can see, we are hiring and training and trying to get these young officers raised up in the Euless way of doing things. Each of the officers we have selected are people who have demonstrated that they possess a servant's heart and are willing to serve in this community. Whenever you are hiring and training this many people it can be a very challenging and trying time for the organization. We readily face these challenges and are excited to see these young officers take their first steps in their law enforcement careers. We can't wait to introduce them to you in a future ECPAAA meeting.

The City of Euless recently held it's Boards and Commissions Dinner at the Texas Star. The purpose of the dinner is to thank and honor the many volunteers who give their time and talents to the community. One of our own, Betty Priddy, was recognized as the Volunteer of the Year for the City of Euless for all the work she does in support of the Euless Police and Fire Departments. Also, during the dinner the City of Euless honored another long time volunteer with a Life Time Achievement Award. This year the Life Time Achievement Award went to our own Don Martin. It was obvious that he had no idea he was even being considered for the award. We all know Don has a passion for serving others and it was very fitting that he received this award.

With the Police Department, Detective Coty Bush was selected as the April City of Euless Employee of the Month!! Coty investigates criminal cases most people would never even want to read, much less have to follow all the leads and talk to all the people involved. Coty is a tremendous asset to this department and is known region wide for her excellent work and outstanding desire to serve the people of this community. We are all very proud of Coty and want to make sure we congratulate her on a richly deserved award.

Thanks again for all the great things you do for this department and this community. Keep up the great work!

Your Servant
Mike

EPD Liaison — Sergeant Rocky Fimbres

Hello ECPAAA Family,

In the month of March we have some events that I want to personally invite our ECPAAA members to attend. On March 12 from 10 am to 2 pm the City of Euless is hosting the Mayor's Family Fitness Fair at the Euless Recreational Center, 300 W. Midway Drive. If the weather is nice, we will hold the fitness fair outside on the baseball field. The recreation center staff have lined up representatives from the city who will hold some fitness drills for the kids. This event will be great for the kids starting Spring Break vacations.

The HEB Law Enforcement program has also started and Officers Chris White and Carlos Peralez are assisting program coordinator Mark Gustafson with the weekly activities. This program is for the high school students who are interested in the criminal justice field and someday might want to become police officers. Our very own retired Sr. Cpl. Tony Burnett is also an instructor for this program. The program teaches students that strong work ethics, accountability and a positive attitude are all needed to be successful in life and in police work.

March 23rd is the Euless Police Department Annual Police Awards Banquet at Texas Star, 1400 Texas Star Parkway. The program starts at 7 pm and I encourage everyone to get there a little early for seating. The event gives everyone an opportunity to meet officers receiving well-deserved awards and also meet their families and friends. Please RSVP with Eva Carrera-Foshee at 817-685-1509 or e-mail her at ecarrerafoshee@eulesstx.gov to attend the dinner. I look forward to seeing all of you there.

Finally, warm weather is approaching and summer is right around the corner. Remember to always be careful when leaving garage doors open and unattended while doing yard work. Please take care of your neighbors, be vigilant and report suspicious activity to the police department.

Respectfully,

Rocky

From the President — Julie Watkins

Happy March to all the ECPAAA members. I hope everyone is enjoying the Spring-like weather and hopefully survived the rain and flooding that our area received. This is Spring Break week for the kiddos and I hope everyone is taking some time to relax and get ready for the push to the end of the school year when they get back to school. I can't believe how these past few months have flown by.

I shared, via an e-mail, the exciting news that the ECPAAA and the ECFAAA shared in the honor of receiving the award for Volunteer Organization of The Year. This award was presented at the Annual Boards and Commissions Banquet. This is quite an honor and I will be presenting it to you at our meeting on March 20th. We have such great members that work so hard, on a daily basis, for the Euless Police Department. This award reaffirms to us that our efforts do not go unnoticed. I also want to congratulate Betty Priddy for her Volunteer of The Year award!! What an honor! She is so deserving and humble. I don't think there has ever been a time that Betty has not just jumped in and volunteered to get done what ever task either the Police Department or the Fire Department has needed. Also, a big shout out to Don Martin for his Lifetime Achievement Award!! Wow, that is such an awesome accomplishment!! Congrats to all our hard-working volunteers. You all have such big and giving hearts! 👍👍👍😊

We will not be having a meal at the meeting this month because Eric will be out of town. We are planning to celebrate our awards with cake and ice cream so leave room for dessert and bring your sweet tooth.

I hope to see all of you at the Police Awards Banquet on the evening of the 23rd at the Texas Star. If you haven't already contacted Eva with your RSVP, please do so asap because they are making final plans. It is always a fun evening with a great speakers. At the banquet, we will announce the ECPAAA Member of the Year that was chosen in December.

The next morning, March 24th is CRUD Day. I hope to see you there either volunteering or getting rid of your "CRUD". I've already got a pretty good stack from starting Spring cleaning early. If you would like to volunteer for these few hours on Saturday morning, please contact J.R. Goad at (817)229-4903, (817)265-6054 or jrgoad@c21bowman.com.

At the last meeting we discussed the need by the Police Department for several different volunteer opportunities. The water situation has been worked out by several of our members that have jumped in to make sure the water is picked up every week. Thank you so much! They are still needing maybe 2 more volunteers to help in Vehicle Maintenance area. I am in the process of getting more details regarding the recycling of the cans and other volunteer opportunities.

Hope all of you have a fun St. Patrick's Day. Remember to wear green or risk getting pinched! Also, Easter is just around the corner. I hope everyone will get to spend some time with family and friends. See you at the meeting.

Old Business

Not much old business. March 3rd was the CERT Training . March 24th is CRUD. J.R. needs volunteers. ECPAAA BBQ is set for September 29th starting at 6:00pm at the Family Life Senior Center. Chief Mike Brown spoke to us about the completed new command staff changes. A lot of our Officers have been promoted and have moved up into new positions. Our own Rocky has been promoted to Sergeant and is staying in the same job because he has done such an excellent job with our group and the Community Service Division. All of the Sergeants and above just completed a 2-day seminar at Texas Star to plan the culture of the Eules Police Department. They were discussing the who/why/what of our EPD and forming our mission statement. Chief Brown thinks that he only has 3 to 15 years left of being our Chief. His goal is to set up the EPD to run effectively for decades to come. He mentioned that this will include lots of active shooter simulations to learn how to protect the 3,000 students at Trinity High School. The EPD also reached out to the churches in Eules, after the recent church shootings in Texas, to go over each church's plans of action in the event of an emergency and discuss any security issues that may have been notated based on the EPD's evaluation of the church's plan.

Speaker for our General Meeting was David See. He is our new **Civilian Service Manager** and is over the Dispatchers, the Jail and the Records Department. He came to us from the Secret Service. He worked in NCIS and the US Currency agencies as well. He spoke to us for over an hour and he was so interesting no one seemed to notice how the time had passed. He has guarded Presidents and was in charge of the Vice President Detail and even had the responsibility of guarding Jenna Bush when she attended college in Austin, Texas. He also gave us a brief history of the Secret Service, which was established by Abe Lincoln for the purpose of combating fake US currency. Later it developed into investigation and protective detail. He explained the two step process used in the printing of US Currency. He has been in 23 Countries and 40 States. ECPAAA members were allowed to ask questions at the end which was also extremely interesting. "Air Force One" is any plane the President's uses, "Marine One" is any helicopter the President's uses, the golf cart the President uses is called "Cart One". That's funny.....hahahahaha!!!!

New Business

We have some new volunteer needs: ****Vehicle Maintenance** – need 2 people to shuffle cars on a daily basis. Tom Salmi can give more details about this. Please call him if you are interested so he can give you more information and get you connected and involved, 817-437-2917. ****Records** – scanning property sheets, Wednesday—Friday 9 to 11 am, ****Water** – ECPAAA pays for the water but we need volunteers to take the 5-gallon water bottle back to the store and have them filled back up and then bring them back to the Eules Police Department. You can call Rocky, (817) 685-1685, when you get back to the EPD and anyone there can help get the bottles back into the building. You can also use the water cart that is no longer being used for watering the plants to get them in and out of the building. This is done once a week. The delivery fee, if done by the company, is \$5.95 per delivery charge. It is not an expense the ECPAAA can take on at this time. At the meeting we had several people tentatively volunteer to help with water, but if you can pitch in and help some weeks, please let us know. ****Can recycling** – this used to be a very productive activity for us but no one has been doing it now for 1 to 2 years. The cans will need to be taken to the recycling center on 28th or 29th street in Ft. Worth. Julie Watkins has offered to drive her pick-up truck to the recycling place, if needed. The February birthday recipients were recognized and we sang happy birthday.

Meeting was adjourned at 8:51 pm with a motion from Betty Priddy and seconded by Susan Vest.
